Thank you for participating in tonight's meeting. The SGVCOG encourages public participation and invites you to share your views on agenda items.

MEETINGS: *Regular Meetings of the Governing Board are held on the third Thursday of each month at 4:00 PM at the SGVCOG Monrovia Office (1333 South Mayflower Avenue, Suite 360, Monrovia, CA 91016).* The agenda packet is available at the SGVCOG's Office, 1333 S. Mayflower Avenue, Suite 360, Monrovia, CA, and on the website, www.sgvco.org. Copies are available via email upon request (sgv@sgvco.org). A copy of the agenda is also posted for public viewing at the entrance of the SGVCOG Monrovia Office Building. Any additional agenda documents that are distributed to a majority of the Board after the posting of the agenda will be available for review in the SGVCOG office during normal business hours and on the SGVCOG website noted above.

PUBLIC PARTICIPATION: Your participation is welcomed and invited at all Governing Board meetings. Time is reserved at each regular meeting for those who wish to address the Board. SGVCOG requests that persons addressing the meeting refrain from making personal, slanderous, profane, or disruptive remarks. A person who continues to disrupt the orderly conduct of the meeting, after being warned by the Board President or designee to cease the disruption, may be precluded from further participation in the meeting.

TO ADDRESS THE GOVERNING BOARD: All public comments will be taken during the public comment portion of the agenda. At a regular meeting, the public may comment on any agenda item as well as on any matter within the subject matter jurisdiction of the SGVCOG that is not on the agenda during the public comment period at the beginning of the agenda. At a special meeting, the public may only comment on items that are on the agenda. Members of the public are requested to state their name prior to speaking. Comments are limited to a maximum of three minutes per person. The Board President may impose additional time limits if a large number of members of the public seek to provide public comment. Except in limited situations, the Board may not take action on items not appearing on the agenda and/or discuss them at length.

If you would like to provide a public comment during a Board meeting, please see "Instructions for Public Comments" below.

AGENDA ITEMS: The Agenda contains the regular order of business of the Governing Board. Items on the Agenda have generally been reviewed and investigated by the staff in advance of the meeting so that the Governing Board can be fully informed about a matter before making its decision.

In compliance with the Americans with Disabilities Act, if you need special assistance to participate in this meeting, please contact the SGVCOG office at (626) 457-1800. Notification 48 hours prior to the meeting will enable the SGVCOG to make reasonable arrangement to ensure accessibility to this meeting.

CONSENT CALENDAR: Items listed on the Consent Calendar are considered to be routine and may be acted upon by one motion. There will be no separate discussion on these items unless a Board Representative so requests. In this event, the item will be removed from the Consent Calendar and considered after the Board takes action on the balance of the Consent Calendar.

TELECONFERENCE LOCATIONS: State law allows Board Representatives to teleconference from remote locations as long as certain conditions are met, including listing the teleconference locations in the agenda. The following locations are hereby noticed as teleconference locations, which are accessible to the public for the purposes of observing this meeting and/or addressing the Governing Board.

<p>Council Chambers 15651 Mayor Dave Way City of Industry, CA 91744</p>	<p>Pasadena City Hall Council Conference Room 100 N. Garfield Ave. Pasadena, CA 91101</p>	<p>Rosemead City Hall Conference Room 8838 E. Valley Blvd Rosemead, CA 91770</p>
<p>297 Lincoln Ave. Pomona, CA 91767</p>	<p>6131 Camellia Ave. Temple City, CA 91780</p>	<p>Walnut City Hall 21201 La Puente Road Walnut, CA 91789</p>
<p>LA County Board of Supervisors 5th District Field Office 380 S. San Dimas Ave. Suite 202 San Dimas, CA 91773</p>		

Instructions for Public Comments: For those wishing to make public comments on agenda and non-agenda items, but within the SGVCOG’s subject matter jurisdiction, you may submit written comments via email or provide a verbal comment.

- Written Comments (Email): If you wish to submit written public comments to be distributed to the Board Representatives at the meeting, please submit these materials via email to Michael Rosen at mrosen@sgvcog.org at least 1 hour prior to the scheduled meeting time. Please indicate in the “Subject” line of the email “FOR PUBLIC COMMENT” and the agenda item number to which the public comment is addressed. Written public comments may include, but are not limited to letters, reports, and presentations.
- Verbal Comments (In Person): If you would like to make a public comment at the Governing Board meeting location, please fill out a public comment card. Comment cards will be made available to you by staff at the entrance to the meeting room. If you are attending the meeting at a noticed teleconference location and would like to make a public comment, please raise your hand at the beginning of the Public Comment portion of the meeting.
- Verbal Comments (Zoom): Through Zoom, you may provide a verbal comment by using the web interface “Raise Hand” feature. Please raise your hand at the beginning of the Public Comment portion of the meeting. You will then be called upon to provide your verbal comments.

For questions related to accessing the available teleconference locations, please contact Michael Rosen (mrosen@sgvcog.org) or (626) 373-9364.

PRELIMINARY BUSINESS

5 MINUTES

1. Call to Order
2. Pledge of Allegiance
3. Roll Call
4. Public Comment on all agenda and non-agenda items (*If necessary, the President may place reasonable time limits on all comments*)
5. Changes to Agenda Order: Identify emergency items arising after agenda posting and requiring action prior to next regular meeting.

CONSENT CALENDAR

5 MINUTES

(It is anticipated that the SGVCOG Governing Board may take action on the following matters)

13. State Legislative Positions (EENR)
Recommended Action:
 - *Adopt Resolution 26-10 in support of AB 2517 (Calderon)**Committee Action: EENR Committee – Support/Oppose/Abstain (9-0-0)*
14. State Legislative Positions (Executive Committee)
Recommended Action(s):
 - *Adopt Resolution 26-11 in support of: AB 2002 (Solache)*
 - *Adopt Resolution 26-12 in support of: SB 1159 (Cabaldon)*
 - *Adopt Resolution 26-13 in support of: AB 1821 (Pacheco)*
 - *Adopt Resolution 26-14 in support of: AB 2576 (Harabedian)**Committee Action: Executive Committee – Support/Oppose/Abstain (6-0-0)*

Program Continuation Items:

15. Declaration of Exempt Surplus Properties (APN 6350-014-900)
Recommended Action(s):
 - 1) *Declares SGVCOG Parcel 214D, located in the City of Montebello, California, and bearing Los Angeles County Assessor's Parcel Number 6350-014-900, which was acquired in support of the Montebello Grade Separation project, as exempt surplus property.*
 - 2) *Determine that pursuant to the California Environmental Quality Act ("CEQA"), the sale of the property as surplus is exempt from environmental review pursuant to CEQA Guidelines Section 15312 (Surplus Government Property Sales).*
 - 3) *Authorize the Executive Director to proceed with the requirements of Government Code 54220 et seq. for the sale and activation of surplus land.*

Previous Action(s): On February 27, 2017, the ACE Board authorized staff to acquire a residential parcel 214D owned by Mrs. Carmen Ybarra for the Montebello Corridor Grade Separation Project. – Support/Oppose/Abstain (6-0-0)

16. Development and Implementation of Transportation Corridor Projects for the San Gabriel Valley Greenway Network Strategic Implementation Plan

Recommended Action(s):

- 1) *Authorize staff to develop and implement corridor projects for the implementation of the San Gabriel Valley Greenway Network Strategic Implementation Plan and assign oversight of this effort to the San Gabriel Valley Council of Governments Capital Projects and Construction Committee (CPCC).*
- 2) *Authorize staff to pursue and apply for grant funding, including but not limited to the San Gabriel and Lower Los Angeles Rivers and Mountains Conservancy (RMC) Proposition 4 program, as well as other state, local, and federal funding sources to support project development and implementation.*
- 3) *Authorize the Executive Director to negotiate and execute a Memorandum of Agreement (MOA) with participating cities.*

Previous Action(s): On May 16, 2017, the Governing Board passed Resolution 16-10, identifying the San Gabriel Valley Regional Greenway Network as a priority regional open space project. — Support/Oppose/Abstain (25-0-0)

17. Measure A LACAHS FY 26-27 Funding Agreements and Program Implementation

Recommended Action(s):

- 1) *Authorize the Executive Director to negotiate and execute all necessary agreements with the Los Angeles County Affordable Housing Solutions (LACAHS) to receive Measure A LACAHS funding and implement eligible activities related to “Production, Preservation, & Ownership” (PPO) of affordable housing, “Renter Protection & Homelessness Prevention,” (RPHP) and “Technical Assistance” (TA) (currently anticipated to be \$25,920,799), including the authority to develop and release applications, submit project budgets and performance goals and negotiate and execute any future amendments related to budget and scope;*
- 2) *Authorize the Executive Director to execute all necessary agreements and amendments with the SGVRHT to implement eligible PPO activities (currently anticipated to be \$16,257,948), including authorization to award FY 26-27 PPO New Construction funds as part of the SGVRHT's current notice of funding opportunity (NOFO);*
- 3) *Authorize the Executive Director to execute all necessary agreements and amendments with consultants, subrecipient agencies and/or service providers to implement eligible activities related to RPHP and TA (currently anticipated to be \$9,662,850).*

Previous Action(s): On May 22, 2025, the Governing Board authorized the Executive Director to execute agreements with LACAHS to implement activities related to PPO, RPHP and TA funding. — Support/Oppose/Abstain (26-0-0)

There was a motion to approve the Consent Calendar.

MONTHLY LEGISLATIVE UPDATE

To: San Gabriel Valley Council of Governments

From: Townsend Public Affairs
Carly Shelby, Deputy Director
Joseph Melo, Federal Advocacy Manager

Date: May 11, 2026

Subject: April 2026 Legislative Monthly Report

STATE UPDATES

APRIL 2026 RECAP:

In April, the Legislature progressed from an early policy review phase into a fast-paced, deadline-driven period that focused the field of active legislation. The month began with the Legislature observing Spring Recess, temporarily pausing committee and floor activity. Prior to the break, policy committees had already begun hearing a large volume of bills, setting the stage for an intense period of legislative work upon their return.

When the Legislature reconvened in early April, activity accelerated quickly. Policy committees resumed hearings and worked through substantial bill backlogs, while amendments were introduced to refine proposals ahead of key deadlines. As the month continued, lawmakers advanced viable measures and set aside those unlikely to move forward, reflecting the natural culling process that occurs at this stage of session.

A major driver of activity was the April 24 deadline for fiscal bills to pass out of policy committees. In the lead-up to this cutoff, committees held lengthy and frequent hearings to process remaining measures, resulting in a significant number of bills advancing to fiscal committees for further consideration. Non-fiscal bills continue to move through policy committees ahead of the May 1 deadline to reach their respective house floors.

At the same time, the Legislature continued its work on the state budget. Budget committees and subcommittees held hearings throughout the month to examine departmental spending proposals and assess funding priorities in response to the Governor's January budget. In addition, the Senate released its "Foundation for the Future" budget framework for the 2026–27 fiscal year, outlining a cautious fiscal approach that prioritizes reserve building, limits new ongoing commitments, and combines spending reductions with potential revenue options to address projected deficits. This proposal serves as an early marker in negotiations with the Legislature and the Administration.

Attention is now turning toward the Governor’s May Revision, anticipated in mid-May, which will update revenue projections and propose adjustments to the state’s spending plan. This release will be the next inflection point in the budget process, shaping negotiations between the Legislature and the Administration ahead of the June 15 constitutional deadline for the Legislature to pass a balanced budget. Following legislative approval, the Governor has 12 days to review, sign, and potentially veto items before the budget is enacted.

Looking ahead, the Legislature’s focus will shift to fiscal committees, where bills will be evaluated in the context of overall spending priorities, and May 15 marks the deadline for fiscal committees to advance legislation to the floor. April’s deadlines marked a transition from broad policy consideration to a more targeted phase of fiscal review and floor deliberation, where the measures that remain will face heightened scrutiny as the session continues.

STATE BUDGET UPDATE:

HHAP Round 6 Funding Announced

On April 8, Governor Newsom [announced](#) \$145.4 million in Homelessness Housing, Assistance and Prevention (HHAP) Round 6 funding to support efforts to reduce homelessness across eight regions in the state. The funding is intended to assist local governments and Continuums of Care (CoCs) expand access to interim and permanent housing, strengthen supportive services, and advance prevention and diversion strategies. This allocation builds on earlier awards, bringing total Round 6 funding commitments to more than \$724 million statewide.

The announcement also highlights updated accountability measures tied to the program. Recipients are required to maintain compliant housing elements and demonstrate measurable progress in addressing homelessness, with the state retaining the authority to recapture funds if expectations are not met. Funding is prioritized for housing-focused interventions, with a significant share directed toward expanding both interim and long-term housing options. An additional round of HHAP funding is anticipated as part of the upcoming state budget.

Senate Releases 2026–27 Budget Framework: Focused on Reserves and Long-Term Stability

In mid-April, the Senate [released](#) its “Foundation for the Future” budget framework for the 2026–27 fiscal year. The proposal outlines a strategy to balance near-term improvements in state revenues with anticipated ongoing structural budget challenges. While recent revenue gains, estimated at roughly \$20 billion over the current and upcoming fiscal years, have improved the short-term outlook, the plan underscores that significant out-year deficits remain, including a projected gap exceeding \$20 billion as soon as the 2027–28 budget year.

To address these pressures, the Senate’s framework takes a more cautious approach focused on building reserves, limiting new ongoing spending, and making targeted policy adjustments to improve long-term stability. A key component of the proposal is strengthening the state’s reserve structure, including increasing the Rainy-Day Fund cap and adjusting deposit rules to better capture revenue volatility. Under the plan, total reserves would grow to about \$38.9 billion in 2026–27, providing a larger buffer against future economic downturns.

At the same time, the proposal seeks to preserve core programs, particularly those that have relied on one-time funding in recent years. It includes continued support for housing and homelessness programs, maintains key health and human services programs, and fully funds

education obligations. Additional investments are also proposed for childcare, food assistance, and public safety programs, reflecting an effort to sustain essential services while managing fiscal constraints.

To help close the structural deficit, the plan combines ongoing spending reductions with new revenue concepts. Notably, it proposes a “Fair Share Contribution” requiring large employers to help offset Medi-Cal costs when employees rely on state-supported coverage, which could generate about \$5 billion to \$8 billion annually. This is paired with additional spending reductions, building on actions taken in prior budget cycles.

Overall, the Senate’s proposal serves as an initial framework for budget negotiations with the Assembly and the Administration. As the process moves forward, budget subcommittees will continue to refine funding priorities and incorporate updated fiscal data, particularly following the Governor’s May Revision, anticipated in mid-May.

Department of Finance Releases April Finance Bulletin

The Department of Finance [released](#) the April 2026 Finance Bulletin, highlighting a moderating yet stable economic environment. The bulletin indicates that the state’s budget outlook is showing modest improvement, though uncertainty persists due to the variability of certain revenue sources and mixed economic indicators.

A notable development in the bulletin is the state’s revenue performance. March General Fund cash receipts exceeded estimates by \$1.5 billion, with fiscal year-to-date revenues running \$8.6 billion above projections. This overperformance is largely driven by strong personal income tax and corporate tax collections, and particularly higher-than-expected Pass-Through Entity Tax (PTET) payments. Sales tax receipts also came in slightly above expectations, suggesting continued consumer activity.

Labor market conditions remain relatively steady but show signs of softening. California’s unemployment rate held at 5.4 percent early in 2026, with modest job gains overall despite some sector-level volatility. Gains in sectors such as leisure and hospitality and professional services were partially offset by losses in others, including education and health services, some of which were linked to temporary factors such as labor strikes.

Housing and building activity present a mixed picture. Home prices continue to rise modestly, with the statewide median price reaching approximately \$830,000 in February 2026. At the same time, sales activity has increased month-over-month but remains slightly below levels seen a year ago, reflecting ongoing affordability challenges and uneven demand.

STATE LEGISLATIVE UPDATES:

Lawmakers Advance SB 876 to Address Insurance Claims Handling Following Disasters

The Senate Insurance Committee held a hearing on several measures, including [SB 876 \(Padilla\)](#). The measure, sponsored by Insurance Commissioner Ricardo Lara and the California Department of Insurance, is intended to address issues identified by disaster survivors, including delays in claims processing, underinsurance, inconsistent communication, and difficulty accessing full benefits.

SB 876 proposes reforms to standardize claims handling and improve transparency. Key provisions include establishing timelines for claim payments following a total loss, expanding coverage for building code upgrades and additional living expenses, requiring updated replacement cost estimates, and improving communication through written status updates when adjusters change.

Supporters noted the bill is informed by recent wildfire experiences and aims to address gaps in the current system. While not intended to regulate insurance rates, some provisions may increase costs, which would be subject to regulatory review. Industry representatives raised concerns about potential impacts on premiums and insurance availability, citing expanded coverage requirements and administrative burdens.

Committee members expressed support for strengthening consumer protections while emphasizing the need to balance affordability and market stability. The committee ultimately advanced SB 876 after amendments removed a requirement for guaranteed replacement cost coverage. The measure is now scheduled for a hearing in the Senate Appropriations Committee in early May.

HR 1 Impacts on CalFresh and Food Access

The California State Assembly Select Committee on CalFresh Enrollment and Nutrition convened an oversight hearing to examine the anticipated impacts of HR 1, the “One Big Beautiful Bill Act” (OBBBA), on the state’s food assistance system. Discussion focused on eligibility changes, expanded work requirements, and administrative challenges associated with implementation.

State analysts and department officials outlined that the law introduces significant modifications to CalFresh, including expanded work requirements, reduced eligibility for certain lawfully present noncitizens, and a shift in program costs to the state and counties. Implementation was expected to begin this year, with an estimated 665,000 individuals at risk of losing benefits due to new work requirements and approximately 72,000 individuals affected by eligibility restrictions.

Committee members raised concerns about the scale and pace of implementation, particularly the administrative burden on counties and the risk that eligible individuals could lose benefits due to increased reporting and verification requirements. Discussion focused on county capacity, the reliability of cost and caseload assumptions, and whether existing funding and staffing levels are sufficient. Members also highlighted uncertainty around implementation data and emphasized the need for flexibility and oversight as the state responds to evolving federal requirements.

Stakeholders and service providers described the broader impacts of HR 1 on households, local economies, and support systems. Community organizations, eligibility workers, and food banks reported increased demand for assistance, staff operational strain, and potential gaps in access as eligibility rules change. Speakers emphasized that CalFresh benefits play a critical role in supporting household food security as well as local economies. Food banks also noted that they may face significant capacity challenges if large numbers of individuals lose benefits.

EXECUTIVE BRANCH ACTIVITY:

Governor Issues Executive Order on Artificial Intelligence

The debate over artificial intelligence (AI) regulation continued to intensify, reflecting a growing divide between federal and state approaches. The Trump administration has issued policy

guidance discouraging state-level regulation, arguing that a “patchwork” of laws could undermine U.S. competitiveness in the global AI market. At the same time, states such as California are advancing their own frameworks to address emerging risks related to privacy, public safety, and consumer protection, highlighting an ongoing governance gap in the absence of comprehensive federal legislation.

Governor Newsom issued an executive order establishing safety and privacy requirements for AI companies that contract with the state. The action aligns with a broader national trend, as states across the country have introduced or enacted more than 100 measures addressing issues such as transparency, use of AI by minors, and protections against misuse of copyrighted material. These efforts are being driven by increasing concerns about AI’s impact on employment, education systems, energy demand, and community safety.

Federal efforts to preempt state action remain active but uncertain. Proposals to impose a moratorium on state AI laws have faced bipartisan resistance, with state leaders from both parties expressing concern about limiting state authority in this rapidly evolving policy area. As a result, the AI regulatory landscape remains fragmented, with varying requirements emerging across jurisdictions.

Looking ahead, AI policy is expected to remain a dynamic and closely watched issue. Ongoing developments at both the federal and state levels will affect procurement practices, data governance, public safety, and infrastructure planning, underscoring the need for continued monitoring as this policy area evolves.

State Announces DMV Technology Upgrades to Improve Service and Enhance Security

On April 14, Governor Gavin Newsom announced two new technology upgrades at the California Department of Motor Vehicles to improve both security and customer service.

The first is the introduction of a digital signature barcode on California driver’s licenses and identification cards. This feature is designed to help verify whether a card’s signature is authentic, altered, or revoked, providing an additional tool to combat identity fraud and theft. Existing licenses and identification cards will remain valid until their expiration dates, and residents are not required to replace them immediately.

The second upgrade is a new statewide QR code check-in system at DMV offices. Under this process, customers can scan a QR code upon arrival to join a virtual queue and receive notifications as their turn approaches. The state indicates this Virtual Intake Process is intended to reduce wait times, ease in-office congestion, and create an efficient and predictable customer experience.

CAPITOL TO CAPITOL: FROM SACRAMENTO TO WASHINGTON, D.C.

IRS Releases Opportunity Zone Redesignation Guidance

On April 7, the Internal Revenue Service (IRS) [announced](#) new [guidance](#) updating the process for the redesignation of Opportunity Zones (OZs) and the establishment of Qualified Opportunity Funds (QOFs). The guidance furthers the census tract eligibility and other programmatic changes made in Section 70421 of [HR 1](#), the One Big Beautiful Bill Act (OBBBA).

The OZ program was established by the [2017 Tax Cuts and Jobs Act](#) (TCJA) and aimed to stimulate investment in economically distressed census tracts. OZs are nominated by Governors and approved by the Secretary of the Treasury, the initial cohort of which is set to expire on December 31, 2028. The program operates over 10-year windows and provides tax incentives that either delay, discount, or permanently exclude capital gains taxes on investments made in or by Qualified Opportunity Funds (QOFs).

The OBBBA narrowed the number of qualifying census tracts, biased designation towards rural communities, and maintained broad statutory language regarding the types of investments QOFs can make. Eligibility is now strictly based on the [2020-2024 American Community Survey](#) (ACS) 5-Year data. If a tract was eligible in 2018 but its economic status improved in the most recent census data, it may no longer be eligible for the 2027 cohort of OZs. Designated tracts must have a poverty rate of at least 20% or a median family income that does not exceed 70% of the area's median income.

The nominating period will begin on July 1, and close 90 days after. California Governor Gavin Newsom is responsible for nominating eligible tracts.

DHS Secretary Signals Potential to Remove CBP from International Airports in Sanctuary Jurisdictions

On April 7, Department of Homeland Security (DHS) Secretary Markwayne Mullin [stated](#) DHS was considering not processing international arrivals at airports in sanctuary jurisdictions, unless local law enforcement was permitted to cooperate with immigration officials at those airports, which could bar sanctuary jurisdictions with airports from receiving international travelers.

The move could halt international air travel across California, which was [designated](#) a sanctuary jurisdiction by the Department of Justice (DOJ) in August 2025. Secretary Mullin stated that Customs and Border Protection and Immigration and Customs Enforcement (ICE) rely on local jurisdictions to house some detainees from airports before they are formally denied entry and/or deported. He also noted the potential for an error in processing, which would require ICE to then identify, arrest, and remove the wrongfully admitted individual. Barring airports across California from receiving international flights could have major ramifications on the upcoming FIFA World Cup, set to be played in both Northern and Southern California.

Federal law already requires some level of coordination with local enforcement at airports and other ports of entry into the United States, and California's sanctuary policies are not necessarily violative of those requirements. The Administration has taken a broad approach to those statutes, including [Section 1373](#), which they have argued disallows sanctuary jurisdictions entirely.

Ninth Circuit Pauses Enforcement of California Law on Federal Agent Identification

On April 22, a three-judge panel of the U.S. Court of Appeals for the Ninth Circuit [determined](#) that California may not enforce its "No Vigilantes Act" while ongoing litigation continues. The panel found that the measure could conflict with the Supremacy Clause, which generally prevents states from regulating federal operations. In the opinion, Judge Mark J. Bennett wrote that the statute attempts to directly govern federal activities, making it unconstitutional at this stage.

The "No Vigilantes Act" was enacted by [SB 805 \(Perez, 2025\)](#) and requires law enforcement agencies to adopt policies regarding the visible display of identification. The measure also requires specified non-uniformed law enforcement officers operating in California to display

identification, such as a name or badge number, while performing their duties, and expands the state's prohibition on falsely impersonating a peace officer.

This ruling builds on earlier court decisions involving related measures, including SB 805 (Perez, 2025) and [SB 627 \(Wiener, 2025\)](#). In February 2026, U.S. District Judge Christina Snyder prevented enforcement of SB 627's provision limiting federal agents' use of face coverings, concluding it was unconstitutional because it applied only to federal officers and not to state or local law enforcement. However, the court permitted the identification requirements under SB 805, such as displaying a name or badge number, to proceed, determining they did not present the same constitutional concerns. The federal government later appealed a portion of the ruling that allowed the identification requirement to remain in effect, prompting the appellate court to temporarily halt its enforcement while the case moves forward.

The matter will continue to move through the appeals process, with the current order remaining in effect in the interim.

FEDERAL UPDATES

LEGISLATIVE BRANCH ACTIVITY:

Reconciliation 2.0 and FY26 Homeland Security Appropriations See Progress, Controversy Remains

On April 21, the Senate Budget Committee [released](#) a draft budget resolution, [S Con Res 33](#), to provide three years of regular appropriations for immigration enforcement agencies under the Department of Homeland Security (DHS). Separately, though connected, the Senate returned to the House an amended version of [HR 7744](#), providing regular appropriations for all non-immigration enforcement components of DHS. HR 7744 also contains the final community projects funding requests, also known as earmarks, for FY26. Congressional Leaders are seeking to bifurcate DHS funding, with three years of immigration enforcement funding via the targeted reconciliation package/budget resolution (S Con Res 33/Reconciliation 2.0), and regular appropriations bill HR 7744 for the non-immigration enforcement agencies under DHS.

Some House Republicans have [denied](#) passage of the appropriations bill, pushing for additional progress on budget reconciliation before agreeing to bifurcate the funding despite the President's [approval](#) of the plan. Other Representatives and some Senators are [pushing](#) to expand the scope of Reconciliation 2.0 to include a larger set of Republican priorities included in their draft [framework](#). Leadership has committed to pursuing a third reconciliation package before the end of the year to enact these priorities, hoping to keep the immigration enforcement package narrow in scope.

House Appropriations Committee Begins Fiscal Year 2027 Markups

Appropriators in the House made significant progress on the Fiscal Year 2027 (FY27) draft bills in April, holding a number of budget hearings, subcommittee markups, and full committee meetings, [passing](#) to the full House the FY27 Military Construction, Veterans Affairs, and Related Agencies [bill](#) alongside the Financial Services and General Government bill.

On April 20, House Appropriations Committee Chairman Tom Cole released initial subcommittee [allocations](#), providing topline spending levels for the first six bills to be considered by the full appropriations committee. The toplines broadly provide for modest spending cuts from

1-3%, in contrast to the 10% cut in non-defense discretionary spending the President's Budget Request proposed.

The Senate Appropriations Committee [scheduled](#) initial hearings to address the FY27 [Presidential Budget Request](#), but is anticipated to delay its drafting of bills until June and July, letting the House lead the appropriations process.

After each markup, the subcommittee will [release](#) draft bills and associated report language. These drafts will include initial lists and funding levels for community project funding requests, also known as earmarks, submitted by Members of Congress to the Appropriations Committee.

OMB Director Vought Testifies Before House Budget Committee on FY27 Presidential Budget Request

On April 15, White House Office of Management and Budget (OMB) Director Russ Vought [testified](#) before the House Committee on the Budget on the Fiscal Year 2027 (FY27) [Presidential Budget Request](#).

The request asks Congress to increase defense spending by 43.7% to \$1.5 trillion while cutting non-defense discretionary spending by \$73 billion, or 10% across the board. As Congress is constitutionally vested with spending authority, the President's Budget Request gives the House and Senate Appropriations Committees a basis for beginning markups of draft bills. Historically, Congress has treated the request as an opening proposal in broader negotiations, and final appropriations bills often differ substantially from the President's original submission.

The proposal seeks to eliminate a number of housing, urban development, local emergency service, environmental, and other grants, [consolidating](#) the programs into broader categories or shifting their responsibilities to the states. OMB Director Vought argued that large swaths of federal programs exceed federal responsibility and instead should be funded and operated by state and local governments.

Members on both sides of the aisle expressed concerns about the proposed cuts to Community Development Block Grants (CDBG), the Low-Income Home Energy Assistance Program (LIHEAP), and OMB's use of rescissions and prior noncompliance with appropriations bills passed by Congress. There was also significant discussion regarding the federal deficit and potential for a third reconciliation package, in alignment with the Republican Study Committee's previously [released](#) framework.

Congress Looks Towards the Remainder of the Year, Major Legislation is Increasingly Impacted

A flurry of legislative activity in the last few weeks of April failed to coalesce into significant action as House and Senate Leaders look towards the remainder of the year. Given the midterm elections, Congress will likely complete the majority of its work for this year prior to the August recess, only returning to DC for the month of September, and then some session weeks in November and December.

Republican Leadership is increasingly [committed](#) to pursuing a second and third reconciliation package, the same legislative vehicle as HR 1, the One Big Beautiful Bill Act, which bypasses the Senate's 60-vote threshold and allows Republicans to pass major policy priorities, with some

limitations, on a partisan basis. Due to procedural rules governing reconciliation packages, they can consume days or weeks of floor time in both chambers, delaying other priorities.

Additionally, Republicans in the House have been working towards consideration of the Senate amendment to their housing policy bill, [HR 6644](#), the 21st Century Road to Housing Act, alongside permitting and National Environmental Policy Act (NEPA) reforms in [HR 4776](#), the SPEED Act.

Congress will also need to pass a series of major policy bills, including a National Defense Authorization Act, Surface Transportation Reauthorization Act, Water Resources Development Act, and a Farm Bill. While certain provisions in these major policy bills can be covered on a partisan basis via a reconciliation package, others cannot and will need to be considered separately.

As intermittent delays compound and major policy bills progress slowly, extensions are increasingly likely on several key policies, including the Surface Transportation Reauthorization Act. This will place additional scrutiny on the 12 appropriations bills, as extended program authorizations could allow appropriators to continue funding the programs for an additional year, leading to new NOFOs on programs previously thought to be expiring.

Broadband Deployment Bill with Local Preemption Pulled from House Floor

[HR 2289](#), the American Broadband Deployment Act, was briefly added to the union calendar and scheduled for consideration on the House floor April 19 before being pulled from the schedule on April 21. The bill was reportedly pulled due to a lack of Republican support. The bill would preempt local permitting and other regulations for telecommunications companies installing broadband and wireless infrastructure.

The bill would [impose](#) new permitting shot clocks ranging from 60 to 150 days, including a presumptive approval provision if a local jurisdiction is unable to adjudicate the permit on the proscribed timeline. It also preempts local regulations and limits Cities' ability to recover costs associated with broadband and telecommunications infrastructure installations by capping charges to telecommunications providers.

The US Conference of Mayors and National Association of Telecommunications Officers and Advisors (NATOA) opposed the legislation over concerns about local control. The FCC has pursued similar regulations prohibiting local jurisdictions from intervening in broadband deployment, including a [proposed rule](#) currently progressing through the rulemaking process that would [modify](#) existing regulations and containing similar shot clock provisions.

House Armed Services Committee Begins 2027 National Defense Authorization Act Process

On April 15, the House Committee on Armed Services (HASC) [held](#) a member day, opening the 2027 National Defense Authorization Act (NDAA) process. The White House Office of Management and Budget [requested](#) a \$1.5 trillion topline funding number for the Department of Defense in 2027.

The NDAA has never failed to pass and, in addition to military policy, contains a number of provisions relevant to local governments, including research and education initiatives, environmental and land use policies, and other policies and funding opportunities intended to mitigate the local impacts of both current and previous military installations.

Individual members of Congress will be given the opportunity to request amendments to the NDAA, which the committee will consider as the bill progresses.

House Education and Workforce Committee Releases Draft Workforce Reauthorization Bill

On April 6, the House Committee on Education & Workforce [released](#) a draft Workforce Innovation and Opportunity Act (WIOA) bill, titled [A Stronger Workforce for America Act of 2026](#). WIOA was created in 2014 and has not been reauthorized since.

Reauthorization bills allow for technical and policy reforms to programs that cannot be made by appropriators when they fund the programs on an annual basis. Reauthorizations also set maximum funding levels for programs created under the legislation.

The draft bill is largely similar to the 2024 proposed package that failed to pass the House and makes only modest reforms to the 2014 version. The bill would codify some of the interagency agreements between the Departments of Education (DOEd) and Labor (DOL) by formally transferring statutory authority for Adult Education from DOEd to DOL, establish a new Youth Apprenticeship Readiness Grant Program designed to increase participation in both pre-apprenticeship and registered apprenticeship programs, authorize \$65 million in appropriations for the renamed Strengthening Community Colleges Workforce Development Grant Program, which would require a public-private partnership to access, and it would create a pilot program to allow states and local workforce boards to pursue reforms to their workforce development systems via Make America Skilled Again Grants. The bill also contains modest reforms to local workforce development boards, allowing for greater educator participation, and new requirements for eligible training providers.

A markup or hearing on the draft bill has not been scheduled. Given the number of must-pass bills currently awaiting action from Congress this year, it is unlikely the House and Senate will both take action to reauthorize WIOA this Congress.

House Passes Aviation Safety Bill, the ALERT Act, Senate Unlikely to Pass

On April 14, the House passed [HR 7613](#), the Airspace Location and Enhanced Risk Transparency Act of 2026, or the ALERT Act, an aviation safety bill seeking to increase the use of tracking technology following a deadly crash in January 2025 between an Army helicopter and a commercial airliner.

The bill primarily increases requirements for aircraft tracking and communication using Automatic Dependent Surveillance-Broadcast (ADS-B) technology and expands federal oversight. It also contains a controversial provision prohibiting the use of ADS-B data to bill pilots.

[S 2503](#), the Rotorcraft Operations Transparency and Oversight Reform Act, or the ROTOR Act, sought to accomplish a similar goal but failed to pass the House after the Department of Defense (DoD) [opposed](#) the bill. The ALERT Act makes broader changes to aviation safety regulations than the ROTOR Act. It addresses air traffic controller training and staffing, helicopter route design, and what the NTSB has characterized as systemic deficiencies in the Federal Aviation Administration's (FAA) safety culture.

It is likely the Senate Committee on Commerce, Science, and Transportation, led by Senator Ted Cruz of Texas, will amend the bill before returning it to the House. Some advocates have criticized

the ALERT Act, arguing that it allows the FAA too much flexibility in implementing the new regulations.

EXECUTIVE BRANCH ACTIVITY:

President Invokes Defense Production Act, Releases Department of Energy Funding for Grid Infrastructure

On April 20, the President [signed](#) five Defense Production Act (DPA) determinations intended to benefit large-scale energy, energy-related infrastructure, natural gas transmission, processing, storage, and coal supply chain projects being led by private companies and public utilities nationwide.

The move comes as foreign conflicts have strained oil supplies and driven up prices, which could continue to rise as market disruptions threaten the global supply of crude oil. Under the determinations, the Department of Energy (DOE) is [authorized](#) to use energy purchases, financial supports, and other tools to mitigate delays, financing shortfalls, regulatory hold-ups, and market barriers to bring both additional fuel sources and new generating plants online. The directives also specifically call for increased coal and liquified natural gas (LNG) production and use in serving stable grid demand, which has been rising due to the increase in artificial intelligence (AI) data centers pulling from the grid.

Funding for the measures was [approved](#) in HR 1, the One Big Beautiful Bill Act, and could be used to temporarily increase fuel subsidies for utility companies. DOE has not released information on implementation of the directives.

Department of Education Releases Higher-Education Rules from HR 1

On April 20, the Department of Education (DOEd) [published](#) a Notice of Proposed Rulemaking (NPRM) in the Federal Register to implement the Workforce Pell and college financing reforms in [HR 1](#), the One Big Beautiful Bill Act (OBBBA).

HR 1 created a new subdivision of Pell Grants extending the funding from colleges and universities to registered apprenticeships and other career and technical education (CTE) options. DOEd [released](#) an initial, separate NPRM on March 6, 2026, on programmatic implementation, which is required by July 1. The current NPRM covers accountability mechanisms and student performance reporting standards.

The NPRM also covers provisions in HR 1 that [intend](#) to limit federal student loan eligibility for programs whose graduates do not meet certain earnings benchmarks after graduating. Under the proposed rule, if the typical graduate of an undergraduate program does not earn as much as a high school diploma, the program will no longer be eligible for federal student loans.

The NPRM has a public comment period open through May 20, at which point DOEd will provide initial responses to comments and move towards a final rule.

EPA Announces PFAS Drinking Water Initiative

On April 14, the Environmental Protection Agency (EPA) [announced](#) the launch of a new PFAS mitigation [initiative](#), named PFAS-OUTreach (PFAS-OUT). PFAS-OUT will proactively reach out

to local drinking water providers who they anticipate may struggle to come into compliance with new regulations under the Clean Water Act (CWA) regarding PFAS/PFOA contamination.

Per- and polyfluoroalkyl substances (PFAS) are a group of over 10,000 manufactured "forever chemicals" that resist degradation, persisting in the environment and human bodies for decades, often originating in water-resistant, non-stick, and stain-resistant coatings applied to cooking surfaces and clothing.

PFAS OUT will host a nationwide webinar series to support all water systems addressing PFAS concerns. EPA will proactively reach out to water systems with potential PFOA and PFOS concerns. To identify these systems, EPA will actively review drinking water monitoring data submitted to EPA through the Unregulated Contaminant Monitoring Rule (UCMR) 5, as well as state, Tribal, and territorial data sources as available.

EPA and HHS to Collaborate on Microplastics in Drinking Water

The Environmental Protection Agency (EPA) and the Department of Health and Human Services recently [announced](#) coordinated actions to address microplastics contamination under the Safe Drinking Water Act (SDWA) and the [establishment](#) of a new Advanced Research Projects Agency for Health (ARPA-H) program called Systematic Targeting Of Microplastics (STOMP).

The EPA [introduced](#) a draft Sixth Contaminant Candidate List (CCL 6), which, for the first time, includes microplastics and pharmaceuticals as priority contaminant groups, alongside other substances that may be present in public water systems. The public comment period on the list ends on June 5.

The STOMP program will expend \$144 million in HHS funding to measure, track, and identify the prevalence and effects of microplastics on the body, and the primary means by which people consume them. The goal of the program is to better understand risk and to work with Congress to craft legislation that mitigates microplastics consumption and its negative effects.

REPORT

DATE: May 21, 2026

TO: Executive Committee
City Managers' Steering Committee
Governing Board

FROM: Marisa Creter, Executive Director

RE: **FY 2024-2025 FINANCIAL AUDIT**

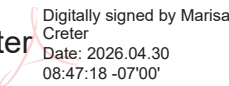

RECOMMENDED ACTION

Receive and file.

BACKGROUND

The SGVCOG's auditors Badawi & Associates completed a comprehensive audit of the financial statements for the SGVCOG and SGVRHT for the fiscal year ending June 30, 2025. Attachment A contains the auditor's full report for the agency. Representatives from Badawi & Associates prepared the annual financial audit for the Executive Committee to review.

RE: **2nd QUARTER FINANCIAL REPORT**

RECOMMENDED ACTION

Receive and file.

BACKGROUND

The full FY 25-26 2nd Quarter Financial Reports for Capital and Non-Capital Projects are included as attachments to this report. These reports include the following:

Capital Projects

- Condensed Balance Sheet as of December 31, 2025
- Asset Allocation
- Reimbursement Status Report
- Project Cost Report

Non-Capital Projects

- Comparative Summary Balance Sheet as of December 31, 2025
- Consolidated Budget to Actual
- Grants Receivable Aging Detail

Questions on these reports may be directed at SGVCOG Director of Finance, Rey Alimoren (ralimoren@sgvcog.org).

For Fiscal Year Ending December 31, 2025

	12.31.25	Change	9.30.25	Comments
<u>Cash on hand</u>				
Operating Account	2,892,118	23,446	2,868,671	
Money Market Account (2)	879,069	(15,120,111)	15,999,181	
Money Market (UPRR Contributions)	45,402	6	45,397	
Total cash on hand	3,816,590	(15,096,659)	18,913,249	
<u>Investments</u>				
LAIF	1,921,395	20,834	1,900,561	
CALPERS - Section 115 Trust	1,413,466	16,583	1,396,884	
CBT - Fixed Income at cost	81,928	771	81,157	
	3,416,789	38,188	3,378,602	
<u>Current - 30 days or less</u>	13,347,601	4,799,764	8,547,837	
<u>Aged Receivable</u>				
To Be Billed	22,269,114	3,160,139	19,108,975	
<u>MTA/CALTRANS Retention</u>	13,728,300	972,049	12,756,251	
Total Exhibit V	49,345,016	8,931,953	40,413,063	
Other receivables, unsold surplus properties, and deferred costs	43,355,951	9,500,677	33,855,274	
Total Cash, Cash Equivalents & Receivables	99,934,346	3,374,158	96,560,187	
<u>Liabilities</u>				
Payables & Other Accruals	61,099,172	2,273,748	58,825,424	
Unearned revenues	12,212,607 (a.)	(15,214,550)	27,427,158	
Total Liabilities	73,311,779	(12,940,802)	86,252,582	
Fund balance				
Resources net of actual liabilities	26,622,566	16,314,960	10,307,606	
Less estimated:				
CalPERS - Hypothetical termination liability	3,162,348 (b.)	(1,213,089)	4,375,437	
Resources net of estimated liabilities	23,460,218 (c.)	17,528,049	5,932,169	

a.) Represents surplus property appraised value, net proceeds from sale of ROW surplus properties, advanced UPRR funding, disallowed retention, and Betterment funds billed in advance to City of Industry for Fairway Drive and Fullerton projects as well as Rio Hondo payments from Cities.

b.) Updated based on CalPERS's annual valuation report as of June 30, 2024 (pg 23).

c.) Decrease in hypothetical termination liability is primarily due to improved investment returns and overall asset performance.

ALAMEDA CORRIDOR - EAST CONSTRUCTION PROJECT

Asset Allocation

As of December 31, 2025

Deposit/ Investment Amount 12.31.2025	% of Invest- ments	Bank Deposits	Maximum Maturity	Maximum Percent of Portfolio	Maximum Investment in One Issuer
		Bank Deposits			
		Ace deposits are held by Citizens Business Bank (CBB) under a deposit agreement in amounts not to exceed \$50 million. Under the agreement, CBB maintains collateral deposits of at least 110% of the value of all ACE deposits at Bank of New York Mellon in eligible securities. The CBB deposits accounts are:

Available	\$ 11,509,736								

** Excludes Start-up/Misc of \$21.436M to agree with Exhibit-IV EAC.

- (1) Will fully fund the project using our future funding of Measure R and Measure M. The project is potentially subject to almost \$6M Cycle 6 funds.
- (2) Utilizing the funds from our surplus properties proceeds and also utilizing our future MSP funds to fully fund the project.
- (3) A new grant was secured in the amount of \$30M from Calista (Port & Freight Infrastructure Program).

RE: **SGVCOG COMMITTEE AND PARTNER AGENCY APPOINTMENTS**

RECOMMENDED ACTION

Adopt Resolution 26-15 to appoint members to standing SGVCOG Policy Committees, and other partner agency appointments.

BACKGROUND

In 2007, the SGVCOG adopted a policy whereby all committee appointments would be reviewed and renewed on an annual basis. This was intended to encourage attendance by committee members as well as to inform new board members about opportunities to participate on the SGVCOG's various committees.

The SGVCOG policy committees serve as forums to present and discuss issues relevant to the SGVCOG as well as make policy recommendations to the SGVCOG Governing Board. The SGVCOG policy committees meet regularly, typically every month. According to SGVCOG bylaws, a city's Governing Board Representative or Alternate, city manager or city or County staff members may serve as the representative or alternate on SGVCOG policy committees. Cities may have both a representative and alternate for each committee; however, each city is allowed only one vote.

Additionally, the SGVCOG issued a call for nominations for the SGVCOG representatives for the following partner agencies:

- League of California Cities
- San Gabriel and Lower LA River Mountains Conservancy
- Southern California Association of Governments (SCAG)

APPOINTMENTS

Individuals that were interested in being appointed to any of the SGVCOG's committees and partner agencies for FY 26-27 were required to submit their names in writing to the SGVCOG office during a specified timeframe. Additionally, the Foothill Gold Line Board provided their recommendations for appointments to the Governing Board and we also received nominations for the LACMTA- TAC and San Gabriel Valley Metro Service Council. Table 1 outlines the recommended appointments for FY 26-27.

Table 1. FY 26-27 SGVCOG Appointments

RE: **CONTRACT 26-03 AWARDING PROFESSIONAL SERVICES AGREEMENT TO PERFORM FINANCIAL AUDIT SERVICES**

RECOMMENDED ACTIONS

- (1) Authorize the Executive Director to negotiate and execute a professional services agreement and task orders with the selected firm to provide financial audit services for the San Gabriel Valley Council of Governments and San Gabriel Valley Regional Housing Trust for five fiscal years, with the contract beginning on July 1, 2026, and ending June 30, 2031, in a fixed fee amount to be determined by the final negotiated cost proposal (currently anticipated to be \$315,000).
- (2) Authorize the Executive Director to execute and negotiate task orders for Program-Specific Audits and other as-needed services.

BACKGROUND

Pursuant to the Fifteenth Amended and Restated Bylaws of the SGVCOG, article V Section C (3), the Treasurer and Auditor/Controller shall annually cause an independent audit to be made of the Council by a certified public accountant, in accordance with Government Code sections 6505 and 6505.6.

The independent audit includes a comprehensive evaluation and opinion to confirm the statements fairly present the agency's financial position. Additionally, the SGVCOG is required by the federal government to monitor compliance with regulations governing the use of federal funds. The SGVCOG current contract for financial audit services expires on June 30, 2026.

PROCUREMENT PROCESS

On March 31, 2026, staff released Request for Proposals (RFP) 26-03 for the provision of audit services (Attachment A). The solicitation was posted on SGVCOG's online bidding system, PlanetBids. A total of five (5) proposals were received by the April 28, 2026 deadline.

In accordance with Procurement Procedures, a Technical Evaluation Committee (TEC) has been formed with representatives from SGVCOG Finance, Audit, and Capital Projects Departments. The TEC will evaluate the written proposals to determine the firm that is the most qualified and technical merit.

Following the initial review, the highest-ranked firms may be invited to oral interviews. The selection process will identify the most qualified firm based on technical qualifications and their ability to deliver the full range of services outlined in the Scope of Services.

The Notice of Intent to Award will be issued to the selected firm upon completion of the evaluation.

FISCAL IMPACT

The cost of performing financial audit and additional services over the five year period is estimated to be \$315,000 based on calculations of similarly priced contracts.

The audit services costs are eligible for reimbursement under existing grant programs and will be charged to applicable programs. The amount paid by each source will be calculated based on labor allocation and in compliance with funding guidelines. Additionally, the audit services cost amounts will be budgeted for on an annual basis as part of the adopted annual budget.

REQUEST FOR PROPOSALS

**SAN GABRIEL VALLEY
COUNCIL OF GOVERNMENTS
REQUEST FOR PROPOSALS NO. 26-03
FOR
FINANCIAL AUDIT SERVICES**

RFP SCHEDULE	
March 31, 2026	Request for Proposals (RFP) Issued
April 9, 2026, 11:00 a.m.	Deadline for Written Questions
April 28, 2026, 11:00 a.m.	Proposals Due
May 5, 2026 (Tentative)	Oral Interviews
May 7, 2026 (Tentative)	Notice of Intent to Award
May 21, 2026	Contract Approval
July 1, 2026	Anticipated Contract Commencement

NOTICE OF REQUEST FOR PROPOSALS (RFP)

The San Gabriel Valley Council of Governments (SGVCOG) is inviting proposals from qualified independent Certified Public Accounting firms to provide financial audit services for SGVCOG and its member agency, the San Gabriel Valley Regional Housing Trust (SGVRHT).

In order to participate, Proposers must be registered through Planetbids located on the SGVCOG's website homepage at www.sgvkog.org. Proposers must be identified as a prospective Proposer for this solicitation to receive notifications of activities pertaining to the solicitation.

Proposals must be submitted in Planetbids at or before 11:00 a.m., April 28, 2026.

Please note that all addenda must be acknowledged through SGVCOG's online bidding system, Planetbids.

All written questions must be submitted through SGVCOG's online bidding system, Planetbids, Q&A tab, by **11:00 a.m. on April 9, 2026**. SGVCOG will respond to all questions through Planetbids in writing. To the extent any response modifies this RFP, the response will be by written addendum, which as stated above must be acknowledged by all potential Proposers.

Any communications with the SGVCOG after the time for Proposals to be submitted shall be directed only to the Contracts Analyst.

SGVCOG will evaluate the technical qualification of all firms submitting proposals before considering the Cost Estimate.

The most technically qualified Proposers will be selected in accordance with this solicitation. Each proposal will be rated, scored, and awarded according to the requirements set herein. The successful Proposer(s) will be required to comply with all applicable Equal Employment Opportunity Laws and Regulations.

Proposers should be aware that an award recommendation may be made without further discussions. SGVCOG reserves the right to withdraw or cancel this RFP at any time without prior notice, and SGVCOG makes no representation that any contract(s) will be awarded to a Proposer responding to this RFP.

SECTION 1. INSTRUCTIONS TO PROPOSERS

1. INTRODUCTION/PURPOSE

The Alameda Corridor-East (ACE) Construction Authority was established in 1998 by the San Gabriel Valley Council of Governments (SGVCOG) as a single-purpose construction authority to implement a construction program intended to mitigate the vehicle delays and collisions at rail-roadway crossings resulting from growing freight rail traffic in the San Gabriel Valley. The SGVCOG is a regional government planning agency that aims to maximize the quality of life in the San Gabriel Valley. It is a public agency consisting of 31 incorporated cities, unincorporated communities in Los Angeles County, and representing more than 2 million residents encompassing more than 374 square miles. The SGVCOG works with its member agencies to develop and implement regional programs in a variety of different areas, including capital projects, transportation, sustainability, and housing/homelessness.

In 2017, the SGVCOG was restructured and established the SGVCOG Capital Projects and Construction Committee, as a successor to the ACE Construction Authority with full responsibility for implementing the ACE Project. In 2019, by state legislation (SB 751, 2019) authorized the creation of the San Gabriel Valley Regional Housing Trust (SGVRHT), a joint powers authority of SGVCOG member agencies specifically to allow SGVCOG member cities to collaborate on housing and homelessness projects for low income individuals. The SGVRHT governing board members are appointed by the Governing Board of the San Gabriel Valley Council of Governments. Due to the large size and complexity of the SGVCOG Capital Projects department (formerly ACE project), SGVCOG reports financial information separately from the SGVCOG's general/planning operations.

For additional information about the SGVCOG, please visit www.sgvco.org and <https://www.sgvrht.org>

2. BACKGROUND AND PROJECT DESCRIPTION

A. Project Description

Audits shall be performed in accordance with generally accepted auditing standards as set forth by the American Institute of Certified Public Accountants (AICPA), the standards applicable for financial audits contained in Government Auditing Standards set forth by the U.S. Government Accountability Office (GAO), the provisions of the Single Audit Act Amendments of 1996 and provisions of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 CFR 200) Subpart F Audit Requirements. The financial statements are presented in accordance with the accounting rules set by the Governmental Accounting Standards Board (GASB).

3. SCOPE OF WORK

See Appendix A.

4. LEGAL COMPLIANCE REQUIREMENT FOR FINANCIAL AUDIT SERVICES

To meet the requirements of this RFP, the audit shall be performed in accordance with:

- Generally accepted auditing standards as set forth by the American Institute of Certified Public Accountants;
- The standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States;
- The provisions of the Single Audit Act as amended in 1996; and
- The provisions of 2CFR 200 Subpart F Audit Requirements.

5. RFP TIMELINES

It is the goal of SGVCOG to select the firm by the end of first week of May 2026. In support of such a selection effort, the following schedule of events has been prepared:

RFP SCHEDULE	
March 31, 2026	Request for Proposals (RFP) Issued
April 9, 2026, 11:00 a.m.	Deadline for Written Questions
April 28, 2026, 11:00 a.m.	Proposals Due
May 5, 2026 (Tentative)	Oral Interviews
May 7, 2026 (Tentative)	Notice of Intent to Award
May 21, 2026	Contract Approval
July 1, 2026	Anticipated Contract Commencement

* The above dates are subject to change depending on the number of proposals received. SGVCOG reserves the right to alter the dates shown above by written notice.

6. EXAMINATION OF PROPOSAL DOCUMENTS

Firms are advised that the following documents may be available for review on-line or can be downloaded via SGVCOG online bidding system, Planetbids.

A. GENERAL:

- a) Audited Financial Statements and Supplementary Information – ACE project, as a division of SGVCOG for Fiscal Year Ending June 30 2024.
- b) Audited Financial Statement and Supplementary Information – San Gabriel Valley Council of Governments for Fiscal Year Ending June 30, 2024.
- c) Single Audit Report for Alameda Corridor – East Construction Authority (A Component Unit of San Gabriel Valley Council of Governments for Year ended June 30, 2024.
Audited Financial Statements – San Gabriel Valley Regional Housing Trust for Fiscal Year Ending June 30, 2024

- B. By submitting a proposal, the firm represents that it has had an opportunity to thoroughly examine all relevant documents and materials, has reviewed and is prepared to comply with all statutes and regulations applicable to the work to be performed and understands the work anticipated as described in this RFP and is capable of performing the highest quality of work necessary to fully satisfy and achieve all of SGVCOG objectives.

7. ADDENDA

SGVCOG reserves the right to revise the RFP documents. Any changes to the requirements of this RFP will be made by written addendum. Any written addenda issued pertaining to this RFP shall be incorporated into the terms and conditions of any resulting Agreement. Addenda will be posted on SGVCOG’s online bidding system, Planetbids, and will be available for downloading. It is the responsibility of Proposers and other interested parties to check the online bidding system regularly during the solicitation period for updated information.

SGVCOG will not be bound to any modifications to or deviations from the requirements set forth in this RFP that are not included as addenda, such as oral instructions. Proposers shall acknowledge receipt of addenda in their proposals. Failure to acknowledge receipt of addenda may cause the proposal to be deemed non-responsive to this RFP, and be rejected.

8. SGVCOG CONTACT

All communication and/or contact with SGVCOG staff regarding this RFP are to be directed to the following:

Randy Futch, Management Analyst
San Gabriel Valley Council of Governments
1333 S. Mayflower Ave., Suite 360
Monrovia, California 91016
Email: rfutch@sgvcog.org

Commencing on the date of the issuance of this RFP, and continuing until award of the contract or cancellation of this RFP, no Proposer, subcontractor, lobbyist or agent hired by the Proposer shall have any contact or communications regarding this RFP with SGVCOG staff; or any contractor on firm involved with the procurement, other than the Contracts Manager named above, or unless expressly permitted by this RFP. Contact includes in person, telephone, electronic mail (e-mail) or formal written communication. Any Proposer, subcontractor, lobbyist or agent hired by the proposer that engages in such prohibited communications may result in disqualification of the proposer at the sole discretion of SGVCOG.

9. QUESTIONS AND REQUESTS FOR CLARIFICATIONS

A. Examination of Documents

Proposers and other interested firms are encouraged to promptly notify SGVCOG of any apparent errors or inconsistencies in the RFP, inclusive of all attachments, exhibits

and appendices. Should a Proposer require clarifications to this RFP, the Proposer shall notify SGVCOG in writing in accordance with Subsection 9.B below. Should it be found that the point in question is not clearly and fully set forth in the RFP, SGVCOG will issue a written addendum clarifying the matter, which will be posted on SGVCOG's online bidding system, Planetbids.

B. Submitting Requests

All questions regarding this RFP must be submitted in writing via SGVCOG's online bidding system, Planetbids by **April 9, 2026**. No other questions will be received after the deadline. Only written inquiries transmitted online will be considered. There is no Pre-Proposal Conference. Please provide all questions as indicated herein on Planetbids. Answers will be posted on SGVCOG's online bidding system, Planetbids.

Under no circumstances should prospective Proposers, discuss with, or inquire of any SGVCOG consultants, employees (except for SGVCOG contact as identified in Section 8), city and county employees or elected officials including SGVCOG Governing Board and Committee on any matter relating to this RFP.

10. SUBMISSION OF PROPOSALS

A. Date and Time

Please submit one (1) electronic copy of the proposal in PDF format via SGVCOG's online bidding system, Planetbids on April 28, 2026 on or before 11:00 a.m. Proposals received after the above-specified date and time will not be accepted.

B. Acceptance of Proposals

- (1) SGVCOG reserves the right to accept or reject any and all proposals, or any item or part thereof, or to waive any informalities or irregularities in any proposals.
- (2) SGVCOG reserves the right to amend, withdraw or cancel this RFP at any time without prior notice and it makes no representations that any contract will be awarded to any Proposer responding to this RFP.
- (3) SGVCOG reserves the right at its sole discretion to modify this RFP should the SGVCOG deem that it is in the best interests to do so.
- (4) Proposals received by SGVCOG are public information and will be made available to any person upon request, after the entire proposal evaluation process has been completed.
- (5) Submitted proposals are not to be copyrighted or contain confidential information.

11. PRE-CONTRACTUAL EXPENSES

- A. SGVCOG shall not, under any circumstances, be liable for any pre-contractual expenses incurred by any Proposer in preparation of its proposal.

B. Pre-contractual expenses are defined to include, but not necessarily limited to expenses incurred by the Proposer in:

1. Preparing its proposal and related information in response to this RFP;
2. Submitting that proposal to SGVCOG;
3. Negotiating with SGVCOG any matter related to this proposal;
4. Cost associated with interviews, meetings, travel or presentations; and
5. Any other expenses incurred by Proposer prior to date of award, if any, of the Agreement, and a formal notice to proceed.

12. JOINT PROPOSALS

Where two or more Proposers desire to submit a single response to this RFP, they shall do so on a prime-subcontractor basis rather than as a joint venture. SGVCOG intends to contract with a single Proposer and not with multiple Proposers doing business as a joint venture.

13. CONFLICT OF INTEREST

Proposer agrees to avoid organizational conflicts of interest. An organizational conflict of interest means that due to other activities, relationships or contracts, the Proposer is unable, or potentially unable to render impartial assistance or advise SGVCOG; Proposer's objectivity in performing the work identified in the specifications is, or might be, otherwise impaired; or the Proposer has an unfair competitive advantage. Proposer is obligated to fully disclose to SGVCOG in writing of any Conflict of Interest issues as soon as they are known to the Proposer. All disclosures must be disclosed at the time of Proposal submittal.

Proposer agrees to comply with SGVCOG's Code of Conduct as it relates to Third-Party contracts which is hereby referenced and by this reference is incorporated herein. Proposer agrees to include these requirements in all of its subcontracts.

14. PERIOD OF PERFORMANCE

It is the intent of SGVCOG to award a contract for five (5) years to one Firm. The contract may be terminated at any time by either party with sufficient notice as stated in the contract.

SGVCOG is requesting proposals from qualified firms of independent certified public accountants to audit SGVCOG's financial statements for the fiscal year ending June 30, 2026 through June 30, 2031.

15. CONTRACT TYPE AND COMPENSATION

It is anticipated that the Agreement resulting from this solicitation, if awarded, will be a firm-fixed price contract specifying firm-fixed price for each year.

Firm's annual retainer may have annual adjustments of no more than three (3%) percent or as measured by the U.S. Bureau of Labor Statistics Consumer Price Index (CPI); subject to review and approval of SGVCOG.

16. TAXES

The Firm's work activities are subject to applicable State and Local Taxes. However, SGVCOG is exempt from the payment of Federal Excise and Transportation Taxes.

17. GENERAL TERMS AND CONDITIONS

- A. Appendix F contains a copy of the anticipated pro forma agreement including the general terms and conditions of an agreement to provide Financial Audit Services.
- B. SGVCOG reserves the right to modify the pro forma agreement to the extent that it deems necessary either before, during or after negotiations with the selected Firm.
- C. The Firms are expected to review the general terms and conditions and acknowledge their acceptance of Appendix F in the Proposal Cover letter (or their objections and suggestions to specific parts of Appendix F) as a mechanism to expedite the contract negotiation process.
- D. The intent of SGVCOG is to negotiate and enter into agreement with one Firm for the identified project as soon as possible after the SGVCOG's Governing Board has approved the recommendations of the selection committee as later described in **SECTION II "EVALUATION CRITERIA"** below.
- E. To accommodate a possible delay in reaching an agreement, all parts of the Proposal and especially the offer of key personnel as described in the RFP shall be valid for one hundred eighty (180) days after the Proposal submission deadline.

18. KEY PERSONNEL

It is imperative that the key personnel proposed to provide the financial audit services have the background, experience, and qualifications to undertake all the financial audit services necessary. The Firm must identify all proposed key personnel in its Proposal. The Firm's Project/Audit Manager and Lead Auditor must be licensed as certified public accountants.

SGVCOG reserves the right to approve all key personnel individually for any contract awarded as a result of this solicitation.

After the agreement is executed, the selected Firm may not replace key personnel without written approval from SGVCOG. SGVCOG must approve replacement staff before a substitute person is assigned to the Project. SGVCOG reserves the right to request that the Firm replace a staff person assigned to the contract should SGVCOG consider such a replacement to be for the good of the Project. Replacement staff would be subject to SGVCOG written approval prior to assignment to the Firm team.

19. OFFICE LOCATION/TRAVEL

SGVCOG does not intend to provide Firm personnel with office space at its facility on a long-term basis. Travel between the Firm's home office and the job sites will not be compensated under the agreement for financial audit services. SGVCOG also does not intend to provide reimbursement for personnel relocation in connection with the financial audit services.

20. EVALUATION PROCEDURE

SGVCOG will appoint a selection committee to evaluate the proposals received for this RFP. Each member of the selection committee will evaluate each Proposal using a 100-point scale and the evaluation criteria listed below to calculate a "proposal score" for each Proposal. The selection committee will convene to discuss the evaluation and receive the results of reference checks made by SGVCOG staff. Committee members have the right to adjust their scores based on additional information, such as the reference checks, or the discussion within the committee. Each committee member will then rank the Firm by their respective "Proposal Score". The committee will select a short list of Firms, based upon the rankings (not scores) of the proposals.

After the technical evaluation is complete, the Committee will review the prices offered by the shortlisted proposers.

Short listed firms will be invited to present their proposals and respond to questions at an oral interview. SGVCOG has established **April 28, 2026** as the date to conduct interviews. The interviews may take place via teleconference. All prospective Proposers are to keep this date available. If a Proposer is unable to attend the interview on this date or such other date as may be determined by SGVCOG, the Proposer may be eliminated from further discussion.

Presenters will be expected to participate in the interview to a degree commensurate with their role in the Proposer's proposal. Notification to the short-listed Proposers will include a time limit for their presentation, after which the selection committee will have time to ask questions related to the Proposer's proposal and qualifications.

At the conclusion of this process, the selection committee will determine the highest qualified firm, based on final rankings. The Executive Director will submit the recommendation of the selection committee to the SGVCOG Governing Board for approval.

Upon selection of the successful Firm and prior to the start of contract negotiations, the Firm will be required to submit to SGVCOG the required insurance certificates for the Firm and its team. Insurance certificates will also be required, in advance, for any other Firm subsequently identified for negotiations with SGVCOG.

21. AWARD

At the conclusion of this process, the selection committee will determine the highest qualified firm, based on final rankings. The Executive Director will submit the recommendation of the selection committee to the SGVCOG Governing Board for approval. SGVCOG reserves the right to award this contract to one (1) Proposer, and to award without discussions.

Should SGVCOG be unable to obtain a fair and reasonable price through negotiations with the highest qualified Firm, SGVCOG shall enter into negotiations with the next highest qualified Firm and may award that contract to that Firm if the parties are able to arrive at a fair and reasonable price. If that is unattainable, SGVCOG shall enter into negotiations with the next highest qualified Proposer in sequence until an agreement is reached.

22. PRE-AWARD AUDIT

If necessary, the SGVCOG may require a pre award review of the selected Firm to be conducted by the SGVCOG auditors prior to contract execution. The purpose of the pre-award review is to assist in the administration of proposed contractor contracts and to identify potential problems relative to the Firm's basic agreement, cost/price proposal, financial condition, cost accounting and estimating system. The examination shall include reviews of applicable laws and regulations, fiscal contract provisions, Firm's cost/price proposal, system of internal control, financial and accounting systems. The extent of the review procedures will be governed by type of selection, risk assessment, contract type, applicable laws, regulations and proposed contract requirements.

When the pre-award review is complete, the auditor will submit a pre-award report to the Contracts Analyst detailing the findings. The Contracts Analyst will evaluate the findings and may require the prospective contractor to furnish additional information in order to resolve identified issues. Adjustments will be made to the proposed contract based on the results of the pre-award review report.

23. PROTEST PROCEDURES

SGVCOG has prepared written protest procedures that are applicable to its solicitations and a copy of the procedures may be obtained by contacting the SGVCOG Contracts Analyst identified in this RFP.

24. NOTIFICATION OF AWARD AND DEBRIEFING

Proposers who submit proposals in response to this RFP shall be notified via Planetbids of the contract award. Such notification shall be made no later than the close of business the fifth (5th) business day after the notice of intent to award is issued by SGVCOG.

Proposers who were not awarded the contract may obtain a debriefing concerning the strengths and weaknesses of their proposal. Unsuccessful Proposers, who wish to be debriefed, must request the debriefing in writing or electronic mail. Debriefings must be

requested within two (2) weeks of the SGVCOG Board's action of the recommendation by the selection committee.

25. ADDITIONAL TERMS AND CONDITIONS

A. NONDISCRIMINATION

The SGVCOG will not discriminate against any interested individual, Proposer on the grounds of race, religious creed, color, national origin, ancestry, handicap, disability, marital status, pregnancy, sex, age, or sexual orientation.

B. SGVCOG'S RIGHT TO MODIFY RFP

The SGVCOG reserves the right at its sole discretion to modify this RFP (including but not limited to the requirements and or the selection criteria) should the SGVCOG deem that it is in the best interests to do so. Any changes to the proposal requirements will be made by written addendum and transmitted via email. The failure of a Proposer to read any addenda shall have no effect on the validity of such modification.

C. SGVCOG'S RIGHT TO CANCEL RFP

The SGVCOG reserves the right at its sole discretion to cancel this RFP in part or its entirety should the SGVCOG deem that it is in the SGVCOG's best interests to do so.

D. SGVCOG'S RIGHT TO EXTEND RFP DEADLINES

The SGVCOG reserves the right to extend any of the deadlines listed in this RFP by written addenda should the SGVCOG deem that it is in the best interests to do so or otherwise be required to by law.

E. LIABILITY FOR PROPOSAL ERRORS

Proposers are liable for all errors and omissions contained in their Proposals.

F. PERMITS AND LICENSES

Proposers, at their sole expense and at the appropriate time, shall obtain and maintain all appropriate permits, certificates and licenses including, but not limited to, a City business license(s), which will be required in connection with their Proposal.

END INSTRUCTIONS TO PROPOSERS

SECTION II. EVALUATION CRITERIA

PROPOSAL EVALUATION CRITERIA

ITEM	TECHNICAL EVALUATION CRITERIA	POINTS
1.	<p><u>Qualifications of the Proposer</u></p> <ul style="list-style-type: none"> • Technical experience in performing work of a closely similar nature; • Experience working with public agencies; • Strength and stability of the firm; assessment by client references; • Compliance with applicable professional standards; depth and flexibility of company resources. 	35 Points
2.	<p><u>Proposed Staffing and Project Organization</u></p> <ul style="list-style-type: none"> • Qualifications of project staff, particularly key personnel; • Key personnel’s level of involvement in performing related work cited in “Qualifications of the Firm” section; logic of project organization; • Adequacy of labor commitment; concurrence in the restrictions on changes in key personnel; • Understanding of and experience with Government Accounting and Auditing Standards, audit standards issued by the American Institute of Certified Public Accountants and/or other professional auditing standards. 	35 Points
3.	<p><u>Work Approach</u></p> <ul style="list-style-type: none"> • Depth of Firm understanding with SGVCOG requirements and overall quality of work plan; logic; clarity and specificity of work plan; • Appropriateness of resource allocation among the task; • Reasonableness of proposed schedule; utility of suggested technical or procedural innovations. 	30 Points
TOTAL POINTS		100 Points

SECTION III. SUBMITTAL REQUIREMENTS

PROPOSAL CONTENT

1. PROPOSAL FORMAT AND CONTENT

A. Format

Proposals should be typed with a standard 12-point font, double-spaced and submitted on 8 1/2" x 11" size paper, one-inch margins, and using a single method of fastening. Charts and schedules may be included in 11"x17" format. Graphics font shall be a minimum of 8 point. Proposals should not include any unnecessarily elaborate or promotional materials. Proposals should not exceed seventeen (30) pages in length, excluding any appendices, dividers used to separate sections, cover letters, resumes, or forms.

Pages from one section may be substituted in another section. Any pages over the total (17), excluding appendices, will not be included in the scoring. Dividers used to separate sections will not be counted.

B. Cover Letter

Cover letter shall be limited to two (2) pages maximum and shall be addressed to Memo Ponce, Contracts Manager, and at a minimum, shall contain the following:

- (1) Identification of person within the Proposer's firm that has authority to negotiate with SGVCOG and to execute on behalf of the Proposer any agreement that may result from such negotiations. Identification shall include SBE status, legal name of company, corporate address and telephone number. Include name, title, address, telephone number and email address of the individual who will be responsible for any negotiations with SGVCOG and any contact person for the Proposer during the period of proposal evaluation.
- (2) Acknowledgement that the Proposer is obligated by any and all RFP addenda.
- (3) A statement to the effect that the proposal submitted shall remain valid for a period of not less than one hundred eighty (180) days from the date the Proposal is due.
- (4) Acknowledge acceptance of the terms and conditions contained in Appendix F – Sample Professional Services Agreement or state objections to specific parts of Appendix F.
- (5) Signature of a person authorized to bind the Proposer to the terms of the RFP and its Proposal.
- (6) Signed statement attesting that all information submitted with the proposal is true and correct.

C. Technical Proposal

(1) Qualifications, Related Experience and References of the Proposer

This section of the Proposal should explain the ability of Proposer to satisfactorily perform the required work similar to those in the RFP; stability of the Proposer; current staffing capability and proven record of meeting schedules on similar type projects.

Proposer shall:

- a. Provide a brief profile of the Proposer, including the types of services offered; the year founded; form of the organization (corporation, partnership, sole proprietorship); number, size and location of offices; and number of employees; and overall fiscal responsibility of the Proposer.
- b. Provide a detailed description of the Proposer's financial condition, including any conditions (e.g., bankruptcy, pending litigation, outstanding claims in excess of twenty-five thousand dollars (\$25,000) for or against the Proposer; planned office closures, impending merger) that may impede Firm's ability to complete all services.
- c. Describe the Firm's experience in performing financial audit services with public agencies. Demonstrate the Firm's experience in providing financial audit services in accordance with all accounting requirements.
- d. Describe the Firm's compliance with professional auditing standards including requirements for peer review; such as the Generally Accepted Government Auditing Standards; American Institute of Certified Public Accountants standards or other professional standards issued by authoritative bodies.
- e. Provide any information regarding whether the Firm is or was the subject of any current or past investigation by the California State Board of Accountancy or any other State agency or investigating agency over the past three (3) years. This should include, but not limited to, dates and subjects of the investigation(s), findings or determinations of the investigating authority and any penalties, sanction or fines assessed against the Firm. SGVCOG reserves the right to reject any and all proposals based upon this information.
- f. Firm shall include copy of the firm's most recent peer review.
- g. Confirm that the firm is free from impairments to independence, as described in professional standards. By submitting a proposal, the firm is confirming that no impairments exist.
- h. Provide a minimum of three (3) references for the contracts cited as related experience. Include the name, title, telephone number and email address of the person that is most knowledgeable about the work performed. Highlight the

participation in such work by the key personnel proposed for assignment to this contract.

- i. Identify sub consultants by company name and describe Firm's experience working with each sub consultant.

(2) Proposed Staffing and Project Organization

This section of the Proposal should establish the method that will be used by the Firm to organize and provide financial audit services. In addition, this section should also identify key personnel to be assigned and their qualifications and experience; availability and current work load.

The Firm should:

- a. Provide education, experience and applicable professional credentials of project staff. Include applicable professional credentials of "key" project staff, including Project/Audit Manager and Lead Auditor. The proposed Audit Manager and Lead Auditor must be licensed as certified public accountant in the State of California at time of submittal and for the duration of all work.
- b. Include brief resumes (not more than two [2] pages each) for the proposed Audit Manager and Lead Auditor and other key personnel. Key personnel must have knowledge and experience with audit and accounting requirements.
- c. Identify key personnel proposed to perform the work in the specified tasks, including major areas. Include the person's name, current location, and proposed position for this project, current assignment, and level of commitment to that assignment, availability for this assignment and how long each person has been with the firm. Include at least two (2) references for each key person, with current contact information for the reference.
- d. Include a project organization chart that clearly delineates communication/reporting relationships among the project staff, including subconsultants (if any). The organization chart must include the name, title and firm affiliation for all persons listed.
- e. Include a statement that key personnel will be available to the extent proposed for the duration of the financial audit services and an acknowledgement that no person designated as key personnel shall be removed or replaced without the prior written concurrence of SGVCOG.

(3) Work Approach

Firm shall provide a narrative that addresses the Scope of Services for this Project that demonstrates that Firm understands SGVCOG's need and requirements.

The Firm should:

- a. Describe the Firm’s general approach for completing the activities specified in the Scope of Services. The work approach shall be of sufficient detail to demonstrate the Firm’s ability to accomplish the project objectives and understand SGVCOG’s goals and objectives.
- b. Outline the activities that would be undertaken in completing the Scope of Services and specify who in the firm would perform them.
- c. Identify methods that Firm will use to ensure quality to manage the budget, control the schedule, and mitigate delay.
- d. Identify any special issues or problems that are likely to be encountered in a project of this type and how the Firm would propose to address them.

2. COST AND PRICE PROPOSAL

As part of the cost and price proposal, the Firm shall submit proposed costs to provide the services to the SGVCOG. The Firm shall complete Appendix B – Compensation, included with the RFP and submit with the proposal.

3. PROPOSAL FORMS

The following items **MUST** be submitted at the time of proposal submission or the proposal may be deemed non-responsive:

1. APPENDIX B – COMPENSATION
2. APPENDIX C – PROPOSAL FORMS

“END OF SUBMITTAL REQUIREMENTS”

RE: **SGVCOG FY 2026-2027 BUDGET**

RECOMMENDED ACTION

Recommend the Governing Board adopt the SGVCOG FY 2026-2027 Budget.

BACKGROUND

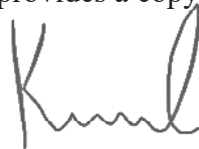

In accordance with the SGVCOG's bylaws, the Governing Board shall adopt the annual agency budget prior to July 1 of each calendar year. In April, the draft budget was presented to the Executive Committee, City Managers' Steering Committee and the Governing Board for review and feedback. Following this initial review and feedback, the budget has been modified as needed and is presented to the Executive Committee prior to final Governing Board adoption on May 21. The budget is organized by sections to highlight the work of all SGVCOG departments as follows:

- Administrative Services/Executive
- Capital Projects
- Finance
- Government & Community Relations
- Planning & Programs

Each department section outlines key accomplishments from the previous year and upcoming fiscal year objectives.

Attachment B provides a copy of the complete SGVCOG FY 2026-2027 budget.

RE: **STATE LEGISLATIVE UPDATE ITEMS (SB 79 AD HOC COMMITTEE)**

RECOMMENDED ACTION

Adopt Resolution 26-17 to oppose SB 1361 (Durazo).

SUMMARY

Senate Bill (SB) 79 (Wiener, 2025) establishes a uniform, statewide framework requiring local governments in “urban transit counties” to permit housing as a by-right use within specified distances of major transit stops. It represents a significant shift in how California links housing production to transit infrastructure. The law establishes a two-tier, distance-based framework that sets minimum development intensity standards for building height, density, and floor-area ratio (FAR) around transit, specifically for parcels located within one-quarter ($\frac{1}{4}$) mile and one-half ($\frac{1}{2}$) mile of qualifying transit-oriented development (TOD) stops. These requirements apply statewide in “urban transit counties,” including Los Angeles County, and therefore impact most cities in the San Gabriel Valley with access to rail or high-frequency bus service. The provisions of SB 79 take effect on July 1, 2026.

SB 1361 (Durazo), sponsored by the Los Angeles County Metropolitan Transportation Authority (LA Metro), is a follow-up measure to SB 79. While SB 79 advances housing production goals, its application to planned transit stops has raised concerns among local agencies regarding potential impacts on community support for future transit investments. SB 1361, as amended, prohibits a local government with an existing or planned transit oriented development stop from taking actions to interfere with a transit project’s approval to avoid the application of SB 79 development standards. This bill seeks to prevent a city or county from using SB 79 as an excuse to add barriers or prevent current or future transit stops from being constructed. Specifically, local governments would be prohibited from taking the following actions:

- Request the transit agency to reduce service provided to the transit-oriented development stop, remove a transit-oriented development stop, or remove a dedicated transit lane so that the requirements of SB 79 do not apply;
- Condition or withhold an approval or review of a transit project that includes a transit-oriented development stop on the impacts of additional height or density available to a transit-oriented housing development project as required by SB 79; or
- Withhold or withdraw support of an application for federal funding of a transit project that includes a transit-oriented development stop on the basis of additional height or density available to a transit-oriented housing development project as required by SB 79.

Status

SB 1361 passed the Senate Housing Committee on a 9-1 vote and the Senate Local Government

REPORT

Committee on a 5-2 vote. The bill is now pending consideration on the Senate Floor.

Support and Opposition

SB 1361 is sponsored by LA Metro. Among the entities officially registered in support of the bill are the Cities of Monterey Park and Pasadena. There are no recorded entities registered in opposition of the current version of the bill.

Recommended Position - Oppose

The SB 79 Ad Hoc Committee voted to recommend the Governing Board take an “oppose” position on SB 1361 (Durazo).

RE: UPPER LOS ANGELES RIVER WATERSHED MANAGEMENT GROUP 2026 - 2031 AGREEMENT

RECOMMENDED ACTION

Authorize the Executive Director to negotiate and execute agreements as well as future amendments with participating agencies to administer the Upper Los Angeles River (ULAR) Coordinated Integrated Monitoring Program (CIMP) and Watershed Management Plan (WMP), for a total not-to-exceed amount of \$8,736,427 for FY 2026 – FY 2031.

BACKGROUND

In 2021, the Los Angeles Regional Water Quality Control Board (Regional Board) issued new Municipal Separate Storm Sewer System (MS4) permits. Under this permitting structure, local agencies (permittees) were allowed to continue using Enhanced Watershed Management Programs (EWMP), consisting of multiple permittees within a watershed, for the purpose of consolidating their compliance efforts as a Watershed Management Group (WMG). The Upper Los Angeles River (ULAR) WMG consists of nineteen permittees¹, eleven of which are members of the San Gabriel Valley Council of Governments (SGVCOG), as follows: Alhambra, La Canada Flintridge, Montebello, Monterey Park, Pasadena, Rosemead, San Gabriel, San Marino, South El Monte, South Pasadena, and Temple City.

On May 18, 2023, the SGVCOG Governing Board authorized the Executive Director to execute Memoranda of Agreement (MOA) with participating agencies to administer contracts related to the Upper Los Angeles River (ULAR) Coordinated Integrated Monitoring Program (CIMP) and Watershed Management Plan (WMP). Staff recommend the SGVCOG enter into a new agreement with the ULAR WMG participating agencies to facilitate implementation of the ULAR CIMP and WMP. The proposed MOA term is 3 years with an option to extend for up to two one-year terms, from FY26-FY31.

The purpose of this MOA is to facilitate ULAR WMG compliance with the MS4 Permit, including monitoring services, watershed management program tasks, and contract administration. Those activities are as follows:

- **Monitoring Services:** The 2021 MS4 permit requires use of a Coordinated Integrated

¹ The other eight members of the ULAR CIMP are: Los Angeles County Flood Control District, County of Los Angeles, City of Los Angeles, City of Burbank, City of Calabasas, City of Glendale, City of Hidden Hills, and City of San Fernando.

Monitoring Program (CIMP) to monitor the progress of an EWMP toward meeting clean water goals. The CIMP scope of work includes program development, establishing monitoring stations at key waterbody outfalls, measuring pollutants and constituents at receiving waters, monitoring stormwater and non-stormwater outfalls, developing and tracking studies, and annual reporting to the Regional Board. There are both technical and managerial aspects of the CIMP function, including regular laboratory work such as water testing, and administrative interaction with the Regional Board. Since 2013, the City of Los Angeles' (the City) Watershed Protection Division has performed the CIMP function.

- **Watershed Management Plan Tasks:** The ULAR WMG is required to complete reporting and plan management activities as part of the ULAR Watershed Management Program (WMP). This includes annual and semi-annual reporting to the Regional Board on CIMP progress, waste discharges, trash monitoring; refining and updating the Watershed Management Plan; updating the WMG website, maintaining membership in the CA Stormwater Quality Association (CASQA); and paying potential fines for water quality violations.
- **Contract Administration:** SGVCOG currently administers contracts to facilitate the 2023-2026 WMG MOA. Under the proposed MOA, SGVCOG would continue to provide these services, which includes facilitating the development of agreements and subsequent amendments for the ULAR WMG; managing procurements, contracting, and contract administration for consultants and contractors; managing and reconciling the budget and invoices in coordination with the City of LA; and facilitating the preparation of ULAR WMG administrative procedures by ULAR WMG and ensuring compliance with these procedures. SGVCOG would retain \$100,000 per year of this MOA to provide contract administration services.

Program costs are distributed according to each permittee's land area relative to the total land area in the ULAR EWMP. The total cost of the proposed MOA is \$8,736,427 for CIMP, WMP, and contract administration activities.

STAFF RECOMMENDATION

SGVCOG staff recommend the Governing Board authorize the Executive Director to negotiate and execute agreements as well as future amendments with participating agencies to administer the Upper Los Angeles River (ULAR) Coordinated Integrated Monitoring Program (CIMP) and Watershed Management Plan (WMP).

RE: **COMMUNITY WILDFIRE PROTECTION PLAN (CWPP)**

RECOMMENDED ACTION

Adopt Resolution 26-18 adopting the Community Wildfire Protection Plan and authorize staff to pursue funding, partnerships, and new programs that support the findings of the CWPP.

BACKGROUND

In late 2022, the SGVCOG applied for and was awarded a CAL FIRE grant totaling \$677,959 to develop a Regional Community Wildfire Protection Plan (CWPP). On March 16, 2023, the SGVCOG Governing Board authorized the Executive Director to execute an agreement with Jensen Hughes, Inc. to develop the CWPP. The CWPP development process launched in April 2023 to identify and prioritize actions for wildfire mitigation, prevention, and adaptation to protect life, property, and critical infrastructure in the San Gabriel Valley. Through collaborative discussions with varied stakeholders, the development of the CWPP has explored existing wildfire challenges, hazard and risk assessments, community wildlife-urban interface (WUI) definitions, and local preparedness capabilities of all 31 member cities in the SGV, many of which are identified as “Communities at Risk.”

The project team conducted a community and policy background of the WUI and existing policies of the San Gabriel Valley member agencies; developed detailed hazard and risk analyses; and established community base maps that define the WUI, the hazard severity zones, and additional fire-related modeling. The CWPP also includes a regional evacuation assessment and program StoryMap. The team also conducted numerous stakeholder, technical advisory group, and public meetings, worked closely with LA County Fire department, City Fire Departments in the foothill communities.

This regional CWPP will serve as a foundational strategic document to guide the wildfire adaptation and prevention efforts of the incorporated cities and unincorporated communities within the San Gabriel Valley. Once adopted by the SGVCOG, San Gabriel Valley cities can formally adopt the Regional CWPP as their own and supplement it with their own city-specific projects to be eligible for funding opportunities. Alternatively, cities can utilize the regional analysis completed in the CWPP to develop their own city-specific CWPP. If interested, SGVCOG can support cities with identifying specific wildfire project needs, applying for funding, and developing city-specific CWPPs to bolster wildfire resiliency in the region.

The CWPP draft (Attachment A) has been completed and shared for public input, and the public comment period closed in November 2025. The project team incorporated community and

REPORT

stakeholder suggestions, and have submitted the final draft for adoption to the Governing Board. The document is currently being reviewed for approval by LA County Fire Department, and CAL FIRE. Upon Governing Board, LA County Fire Department and CAL FIRE approval, all requirements for CWPP adoption will be satisfied.

Staff recommend the Governing Board adopt Resolution 26-18 adopting the finalized Community Wildfire Protection Plan and authorize staff to pursue funding, partnerships, and new programs that support the implementation of the plan. Attachment B contains the accompanying resolution.

RE: **SUSTAINABLE INSURANCE STRATEGY LEGISLATIVE UPDATE**

RECOMMENDED ACTION

For information only.

BACKGROUND

The California Department of Insurance (CDI) was created in 1868 as part of a national system of state-based insurance regulation. CDI oversees more than 1,600 insurance companies and licenses more than 510,000 agents, brokers, adjusters, bail agents, and business entities. In the normal course of business, CDI annually processes more than 5,500 rate applications, issues approximately 260,000 licenses (new and renewals) and performs hundreds of financial reviews and examinations of insurers doing business in California. CDI also annually receives and processes tens of thousands of referrals regarding suspected fraud against insurers and others and conducts criminal investigations resulting in thousands of arrests every year.

Julia Svetlana Juarez is a deputy insurance commissioner in the Community Relations and Outreach Branch of CDI. In her current role, Julia provides expert oversight for constituent outreach with federal, state, and local elected district offices and leads the Department's expanded efforts to assist wildfire survivors, local governments, small businesses, and consumers in accessing the Department's many services.

Juarez will join the Governing Board to address a series of issues that are of interest to cities in the San Gabriel Valley, including:

- CDI's Sustainable Insurance Strategy program
- Legislative efforts concerning SIS
- Creating a resilient insurance market amid natural disasters and climate change
