

## Ed Reece

First Vice President, San Gabriel Valley Council of Governments

Ed Reece, the First Vice President of SGVCOG, was first elected to the Claremont City Council in 2018 and was re-elected to his second term in 2022. Vice President Reece has been a highly engaged business owner and resident of Claremont for over 18 years. He founded ISN Global Enterprises, his boutique technology business, from his father's garage. Since then, Vice President Reece has received numerous accolades, such as the Claremont Business of the Year and Claremont Businessperson of the Year. In addition, his business accomplishments have been acknowledged by the United States Congress, the California State Legislature, and the County of Los Angeles.

Vice President Reece is a cancer survivor and community advocate who has served on the California State Board of the American Cancer Society. He holds other leadership positions, such as the President of CPHOA, Inc., the Claremont Crime Prevention Coalition (CCPC), and the Inland Valley Repertory Theater (IVRT) Board of Trustees. He also previously served as the Chairperson of the Claremont Police Commission. Experiencing firsthand the conditions of the police station and the need to mobilize the community, he took on a significant leadership role as the Co-Chair of Partners for a Safe Claremont. As a Councilmember, Vice President Reece utilizes his passion for community service and business acumen to address various issues, including a renewed vision for homelessness, senior services, sustainability, fiscally responsible policies, community policing, and more.

Vice President Reece represents the Claremont City Council on the Metro Gold Line JPA Board and the San Gabriel Valley Council of Governments. Additionally, he serves as an alternate member on the Foothill Transit Governing Board, the League of California Cities City Selection Committee, and the Pomona Valley Transit Authority.
