

Update: Diamond Bar Golf Course Renovation

As part of the planned freeway improvements to the SR-57/SR-60 Confluence Project, the Diamond Bar Golf Course was temporarily closed on September 1, 2021. Over the past several months, renovations have been underway on the course and its facilities, improving overall operations and golfing experience when the course reopens in early 2023:

- The initial clearing of trees and brush adjacent to the SR-57/SR-60 frontage has been completed as planned, which is a necessary step to begin the improvements to the ramps at Grand Avenue and future improvements to the SR-57/SR-60 confluence.

- Biologists, arborists, and environmental specialists are on site to review the renovation work with project contractors and SGVCOG staff. The redesign of the golf course will identify locations for the replanting of trees that were removed along the SR-57/SR-60 frontage.

- Currently, crews are replacing drainage on the course to improve watering for fairways and greens.

Please note that all golf course facilities remain closed during these renovations, with no public access to the course by motorized vehicles, bikes, or foot traffic. Full plans of the renovations and improvements are available at www.sgvkog.org/5760project. Future golf tournament and banquet information/reservations may be acquired by calling **(909) 861-8282**.

Highlights of Golf Course Improvements

- Redesigned 18-hole layout, and improved fairways and greens.
- Three new tees installed, for a total of five tees at each hole
- Sand traps added
- Course Par will remain the same/72
- Yardage will remain the same/6807

Alternative Golf Courses:

- During the closure of Diamond Bar Golf Course, the community has several other nearby public golf courses to use which have comparable green fees, costs, and facilities.
- For a map and list of alternative golf courses go to www.sgvkog.org/5760project-dbgc

We appreciate your ongoing patience during the temporary closure of the golf course and look forward to welcoming you back in early 2023.
