TO ADDRESS THE PLANNING DIRECTORS' TECHNICAL ADVISORY COMMITTEE: At a regular meeting, the public may comment on any matter within the jurisdiction of the Committee during the public comment period and may also comment on any agenda item at the time it is discussed. At a special meeting, the public may only comment on items that are on the agenda. Members of the public wishing to speak are asked to complete a comment card or simply rise to be recognized when the Chair asks for public comments to speak. We ask that members of the public state their name for the record and keep their remarks brief. If several persons wish to address the Committee on a single item, the Chair may impose a time limit on individual remarks at the beginning of discussion. **The Planning Directors' Technical Advisory Committee may not discuss or vote on items not on the agenda.**

AGENDA ITEMS: The Agenda contains the regular order of business of the Planning Directors' Technical Advisory Committee. Items on the Agenda have generally been reviewed and investigated by the staff in advance of the meeting so that the Committee can be fully informed about a matter before making its decision.

CONSENT CALENDAR: Items listed on the Consent Calendar are considered to be routine and will be acted upon by one motion. There will be no separate discussion on these items unless a Committee member or citizen so requests. In this event, the item will be removed from the Consent Calendar and considered after the Consent Calendar. If you would like an item on the Consent Calendar discussed, simply tell Staff or a member of the Planning Directors' Technical Advisory Committee.

RE: **ADOPT RESOLUTION 22-05-PDTAC MAKING SPECIFIED FINDINGS TO ENABLE THE PLANNING DIRECTORS' TECHNICAL ADVISORY COMMITTEE TO HOLD MEETINGS VIA TELECONFERENCING**

RECOMMENDED ACTION

Adopt Resolution 22-05-PDTAC making certain findings that the existence of a local and state of emergency in California caused by the ongoing COVID-19 pandemic continues to directly impact the ability of the SGVCOG to hold public meetings safely in-person, thereby necessitating an ability to continue holding meetings via teleconference.

BACKGROUND

Introduced by Assemblymember Robert Rivas (D-Hollister) on February 1, 2021, AB 361 codifies portions of Governor Gavin Newsom's existing Ralph M. Brown Act exemptions pertaining to teleconferencing if a local agency issues an emergency finding, and reissues it every 30 days, that it is unsafe to meet in person. Specifically, the Brown Act exemptions include requirements to provide a public teleconference location, to maintain a member quorum within the agency's jurisdiction and to provide for public comment at each teleconference location, such as a private residence. The legislation expires in December 2024. On September 16, 2021, California Governor Gavin Newsom signed AB 361 into law, effective immediately.

A local agency wishing to rely on the provisions of AB 361 must meet one of the following criteria:

1. The local agency holds a meeting during a proclaimed state of emergency, and state or local officials have imposed or recommended measures to promote social distancing; or
2. The local holds a meeting during a proclaimed state of emergency for the purpose of determining, by majority vote, whether as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees; or
3. The local agency holds a meeting during a proclaimed state of emergency and has determined, by majority vote, that, as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees.

On March 4, 2020, Governor Newsom proclaimed a State of Emergency in California due to the threat of COVID-19 and shortly thereafter issued Executive Order N-29-20 suspending certain Brown Act provisions relating to teleconferencing as public meetings began to be held online.¹

¹ Similarly, on March 4, 2020, the Los Angeles County Board of Supervisors and Los Angeles County Health Officer declared a local and health emergency due to the threat of COVID-19.

However, this Executive Order expired on September 30, 2021, despite the State of Emergency remaining in place.

The threat that COVID-19 has presented continues to directly impact the ability of the SGVCOG to conduct Governing Board/committee meetings safely in person. Updated guidelines issued by the Centers for Disease Control and Prevention (CDC) and the Los Angeles County Department of Public Health in July and August 2021 advise governmental entities to refrain from conducting indoor meetings and consider moving operations outdoors, where feasible, to prevent transmission. SGVCOG staff finds it has been unable to find a suitable outdoor space with the requisite audio/visual capabilities at which the monthly committee meetings can be held safely. Similarly, an indoor space with sufficient capacity to accommodate safe social distance practices among members, staff, and the public could not be identified.

In order to continue to conduct meetings in a safe manner and to prevent unnecessary COVID-19 exposure to members, staff and the public, staff is recommending that Planning Directors' Technical Advisory Committee adopt Resolution 22-05-PDTAC making certain findings in order to be able to continue teleconferencing for its meetings.
