

# BEAT THE HEAT DONATION DRIVE

People experiencing homelessness are already under significant stress from difficult living conditions. Higher temperatures during the summer months bring additional stress and health risks.

Please help us collect donations to help our unhoused neighbors beat the heat!

## HOW TO PARTICIPATE:

- *Bring cases of water, sunscreen or gift cards to our office*
- *Purchase items from our wishlist*
- *Share information with your networks*

## Donations can be sent to:
