**MEETING AGENDA**

Chair  
**Robert  
Delgadillo**  
City of  
Azusa

Vice-  
Chair  
**Amber  
Shah**  
City of  
San  
Marino

- 1. Call to Order**
- 2. Public Works Working Group Meeting Notes 11/17/2025 (Page 1)**
- 3. Measure M Multi-Year Subregional Program (MSP) Reprogramming Recommendations – Steph Wong, Senior Advisor, SGVCOG (Page 3)**
- 4. San Dimas Wash Project Overview – Yovanni Viramontes, Assistant Project Manager, SGVCOG (Page 6)**
- 5. Announcements**
- 6. Adjourn**

**SGVCOG Public Works Working Group  
Meeting Notes  
November 17, 2025  
12:00 PM – Via Zoom/Teleconference**

**1. Call to Order**

Meeting called to order at 12:05pm.

*Attendees*

Arcadia – Kevin Merrill  
Azusa – Robert Delgadillo  
Baldwin Park - David Lopez  
Diamond Bar – Hal Ghafari  
Diamond Bar – David Liu  
El Monte – Leticia Ortiz  
Industry – Matthew Hudson  
Irwindale – Eddie Chan  
Irwindale – Elizabeth Rodriguez  
LA County – Marty Amundson  
LA County – Pat Smith  
Monterey Park – Shawn Igoe  
Monterey Park – Ziad Mazboudi  
Pomona – Shandy Dittman  
SA Associates – Shahnawaz Ahmad  
San Marino – Amber Shah  
San Dimas – Shari Garwick  
South Pasadena – Phillip Tran  
South El Monte – Gerardo Marquez  
Temple City – Ashley Avery  
Walnut – Melissa Barcelo

*Presenters and SGVCOG Staff*

Nicole Cartwright, SGC  
Ata Khan, Pomona  
Nenetzin Rodriguez, Energy Coalition  
Natalie Arreaga, SGVCOG

**2. Public Works Working Group Minutes October 2025**

There were no comments or changes to the minutes.

**3. Community Resilience Centers (CRC) & Transformative Climate Communities (TCC) Programs**

Program Manager at Strategic Growth Council, Nicole Cartwright, provided a presentation on the program.

**4. Pomona Activated for Community Transformation & Sustainability (ACTS) Program**

Deputy Development Services Director at City of Pomona, Ata Khan, and Program Manager at Energy Coalition, Nenetzin Rodriguez, provided a presentation on the program.

**5. Announcements**

SGVCOG Management Aide, Natalie Arreaga, announced that the next Public Works Working Group meeting will take on place January 20, 2026 at 12:00PM. If you are interested in sharing projects at upcoming Public Works Working Group meetings, please contact Natalie Arreaga at [narreaga@sgvcog.org](mailto:narreaga@sgvcog.org).

**6. Adjourn**

The meeting was adjourned at 12:43 pm.

# REPORT

DATE: January 20, 2026

TO: Public Works Working Group

FROM: Marisa Creter, Executive Director

RE: **MEASURE M MULTI-YEAR SUBREGIONAL PROGRAM (MSP)  
REPROGRAMMING RECOMMENDATIONS**

## **RECOMMENDED ACTION**

For information only.

## **BACKGROUND**

In June 2018, the Los Angeles County Metropolitan Transportation Authority (Metro) adopted the Measure M Guidelines to establish a process by which subregional funds under Measure M would be programmed by the subregions' respective entities. The SGVCOG was subsequently tasked with programming and administering the Measure M Subregional Program (MSP) funds through the development of multi-year subregional fund programming plans in the San Gabriel Valley. Through two award cycles, the SGVCOG has awarded a total of \$53,336,524 in Measure M funds to eligible SGVCOG agencies to fund projects. Depending on project type, funds are allocated from one of the following subfunds: Active Transportation, First/Last Mile, Complete Streets, Highway Efficiency, Highway Demand, Bus System Improvement, and the Subregional Equity Program. These subfunds are portions of the total MSP subregional allocation, which can be used to support a particular type of infrastructure or project each cycle. Funds may be transferred between subfunds using an inter-program borrow when necessary. A list of awarded projects can be found on <https://www.sgvkog.org/msp-projects>.

Funds awarded to selected projects were programmed to be distributed to their respective cities and agencies in accordance with the submitted funding allocation schedules. Each selected project's funding allocation schedule can be changed, or "reprogrammed," pending the approvals of both the SGVCOG Governing Board and the Metro Board of Directors; however, the Metro Board of Directors only reviews and approves MSP funding reprogramming requests once a year in May. Prior to submitting any relevant MSP funding reprogramming requests to the Metro Board for approval, the SGVCOG Governing Board must approve such requests at least two months in advance. The MSP programming and reprogramming requests must also abide by the SGVCOG's Funding Policy, which limits reprogramming requests to one per project, and the Public Outreach Policy, which establishes the process by which requests are reviewed (Attachments A and B).

## **REPROGRAMMING REQUESTS**

This year, all MSP funding reprogramming requests submitted by the agencies must be approved by the SGVCOG Governing Board at its February 2026 meeting in order for the requests to be forwarded to the Metro Board for consideration. The table below shows the awarded agencies that have requested the distribution of their allocated funds be changed to accommodate project

# REPORT

schedule changes.

Awarded Agency	Project (Project ID Number)	Previous Years (expended)	FY 25-26	FY 26-27	FY 27-28	FY 28-29	FY 29-30	TOTAL
Alhambra	Alhambra Citywide Bus Stop Improvement Project (MM4703.11)		\$250,000	\$750,000				<b>\$1,000,000</b>
Los Angeles County	Eaton Canyon Wash Bike Trail (MM4701.09)				\$200,000	\$1,236,800	\$553,200	<b>\$1,990,000</b>
San Dimas	San Dimas Ave Pedestrian and Bicycle Improvements from Gold Line Station to Avenida Loma Vista (MM4703.08)			\$80,000	\$815,500			<b>\$895,500</b>
South El Monte	Santa Anita Avenue Walkability Project (MM4703.09)	\$467,712	\$216,658	\$3,616,813	\$4,825,317			<b>\$9,171,500</b>

## NEXT STEPS

In accordance with the adopted SGVCOG Measure M MSP Public Outreach Plan, the SGVCOG will proceed with welcoming members of the public and stakeholders to comment on the proposed recommendations. The Projects will follow the following public outreach timeline prior to seeking Governing Board approval:

Recommendation Available for Public Comment	January 15 – February 19, 2026
Public Review & Comment by Public Works Working Group	January 20, 2026
Public Review & Comment by City Managers’ Steering Committee	February 4, 2026
Recommendation Review by Transportation Committee	February 11, 2026
Recommendation Approval by Governing Board	February 19, 2026
Final Recommendation Approval by Metro Board of Directors	May 2026 (Anticipated)

# REPORT

---

SGVCOG Senior Advisor, Steph Wong, will be available to answer questions and accept comments from Committee Members and members of the public.

RE: **SAN DIMAS WASH PROJECT OVERVIEW**

## **RECOMMENDED ACTION**

For information only.

## **BACKGROUND**

The San Dimas Wash Project is one of three interconnected projects that make up the City of Glendora's People Movement Project, which together are intended to complete key segments of the Glendora Urban Trail System and provide First/Last Mile connections to the Metro A Line station. The San Gabriel Valley Council of Governments (SGVCOG) in partnership with the City of Glendora is advancing the San Dimas Wash Project to the construction phase as the plans, specifications, and estimates have been reviewed and recommended for adoption.

The San Dimas Wash Project will create approximately 1.6 miles of a fully separated Class I bicycle and pedestrian trail along the San Dimas Wash, extending from Sunflower Avenue and Gladstone Street to Grand Avenue and Arrow Highway within and adjacent to the flood control channel corridor. The project includes four upgraded street crossings and intersection treatments—three midblock crossings and one pedestrian scramble—along with native landscaping and park amenities such as benches, water fountains, workout equipment, and trail monument signage to encourage everyday walking and biking.

Construction activities will include excavation and grading; installation of aggregate base and asphalt concrete pavement; new concrete walkways and driveway approaches; new and replacement fencing, concrete block walls, retaining walls, and other concrete flatwork; and installation of signing, striping, and rectangular rapid flashing beacons to enhance user safety. Additional work includes decomposed granite paths, boulders, landscaping and irrigation, trail signage, and all incidental and appurtenant improvements necessary to deliver a complete, safe, and operational urban trail consistent with the Glendora Urban Trail System vision.

Yovanni Viramontes, Assistant Project Manager at SGVCOG will provide a presentation on this item.
