MEETINGS: *Regular Meetings of the Homelessness Committee are held on the first Wednesday of each month at 8:30 AM at the SGVCOG Monrovia Office (1333 South Mayflower Avenue, Suite 360, Monrovia, CA 91016).* The agenda packet is available at the SGVCOG's Office, 1333 S. Mayflower Avenue, Suite 360, Monrovia, CA, and on the website, www.sgvkog.org. Copies are available via email upon request (sgv@sgvcog.org). A copy of the agenda is also posted for public viewing at the entrance of the SGVCOG Monrovia Office Building. Any additional agenda documents that are distributed to a majority of the Board after the posting of the agenda will be available for review in the SGVCOG office during normal business hours and on the SGVCOG website noted above.

PUBLIC PARTICIPATION: Your participation is welcomed and invited at all Committee meetings. Time is reserved at each regular meeting for those who wish to address the Board. SGVCOG requests that persons addressing the meeting refrain from making personal, slanderous, profane, or disruptive remarks. A person who continues to disrupt the orderly conduct of the meeting, after being warned by the Committee Chair or designee to cease the disruption, may be precluded from further participation in the meeting.

TO ADDRESS THE COMMITTEE: At a regular meeting, the public may comment: (i) on any matter within the subject matter jurisdiction of the SGVCOG that is not on the agenda during the public comment period at the beginning of the agenda; (ii) on any item(s) that is on the Consent Calendar prior to action taken on the Consent Calendar; and (iii) on any other agenda item prior to the time it is considered by the Board or Committee. At a special meeting, the public may only comment on items that are on the agenda. Members of the public are requested to state their name prior to speaking. Comments are limited to a maximum of three minutes per person. The Committee Chair may impose additional time limits if comments become repetitious, an individual member of the public seeks to speak on numerous items, or a large number of members of the public seek to speak on an item. Except in limited situations, the Committee may not take action on items not appearing on the agenda and/or discuss them at length.

If you would like to provide a public comment during a Committee meeting, please see "Instructions for Public Comments" below.

AGENDA ITEMS: The Agenda contains the regular order of business of the Committee. Items on the Agenda have generally been reviewed and investigated by the staff in advance of the meeting so that the Committee can be fully informed about a matter before making its decision.

In compliance with the Americans with Disabilities Act, if you need special assistance to participate in this meeting, please contact the SGVCOG office at (626) 457-1800 or via email to sgv@sgvcog.org. Notification 48 hours prior to the meeting will enable the SGVCOG to make reasonable arrangement to ensure accessibility to this meeting.

CONSENT CALENDAR: Items listed on the Consent Calendar are considered to be routine and may be acted upon by one motion. There will be no separate discussion on these items unless a Committee member so requests. In this event, the item will be removed from the Consent Calendar and considered after the Committee takes action on the balance of the Consent Calendar.

Instructions for Public Comments: For those wishing to make public comments on agenda and non-agenda items, but within the SGVCOG's subject matter jurisdiction, you may submit written comments via email or provide a verbal comment.

- Written Comments (Email): If you wish to submit written public comments to be distributed to the Committee Members at the meeting, please submit these materials via email to Victoria Urenia at vurenia@sgvcog.org at least 1 hour prior to the scheduled meeting time. Please indicate in the "Subject" line of the email "FOR PUBLIC COMMENT" and the agenda item number to which the public comment is addressed. Written public comments may include, but are not limited to letters, reports, and presentations.
- Verbal Comments (In Person): If you would like to make a public comment at the Homelessness Committee meeting location, please fill out a public comment card. Comment cards will be made available to you by staff at the entrance to the meeting room. If you are attending the meeting at a noticed teleconference location and would like to make a public comment, please raise your hand when the item upon which you wish to speak comes up on the agenda.
- Verbal Comments (Zoom): If you would like to participate by teleconference from a private location, please email Victoria Urenia (vurenia@sgvcog.org) to request an attendee Zoom link. Through Zoom, you may provide a verbal comment by using the web interface "Raise Hand" feature when the agenda item upon which you wish to speak is to be considered. You will then be called upon to provide your verbal comments.

For questions related to accessing the available teleconference locations, please contact Victoria Urenia (vurenia@sgvcog.org) or (626) 255-2598.

MEMORANDUM

To: San Gabriel Valley Council of Governments
Homelessness Committee

From: Townsend Public Affairs

Date: March 24, 2025

Subject: Summary of Significant Legislation Related to Homelessness

Homelessness remains one of California's most urgent and complex crises, affecting over 170,000 individuals—the largest unhoused population in the nation. The state has invested billions of dollars in housing and supportive services, yet rising housing costs, economic disparities, and a lack of mental health and addiction treatment services continue to exacerbate the crisis. With one-third of the nation's homeless population residing in California, it is clear that sustained legislative action and policy innovation are essential to address the root causes and ensure long-term solutions.

Following the Grants Pass decision, municipalities now have greater authority to regulate public spaces and address concerns related to homelessness through the enforcement of camping bans. This, however, also raises significant questions about the availability of shelter options and the broader societal responsibility to address the root causes of homelessness. Advocates for individuals experiencing homelessness express concern that this decision may lead to increased criminalization of homelessness without corresponding investments in affordable housing and supportive services.

The homelessness crisis demands a coordinated, multi-agency approach that prioritizes housing stability, public health, and economic mobility. This memo outlines legislation to be contemplated this session to ensure that California continues to lead the nation in addressing homelessness with effective, long-term solutions.

To meet this critical need, the following bills have been introduced:

AB 348 (Krell) Full Service Partnerships

This measure seeks to enhance access to comprehensive mental health services for individuals with serious mental illness (SMI) by establishing presumptive eligibility criteria for Full-Service Partnerships (FSPs). FSPs are intensive, team-based programs designed to provide a "whatever it takes" approach to support individuals with SMI, addressing not only mental health needs but also housing, employment, and educational support.

The bill outlines specific conditions under which individuals with SMI would be presumed eligible for FSPs, including:

- Experiencing unsheltered homelessness.

- Transitioning to the community after six months or more in secured treatment or residential settings, such as mental health rehabilitation centers or institutions for mental disease.
- Having two or more emergency department visits related to SMI or psychiatric events in the last six months.
- Transitioning to the community after six months or more in state prison or county jail.
- Having two or more arrests in the last six months.

Counties are not mandated to enroll individuals meeting these criteria if doing so would exceed available FSP funding, allowing for flexibility based on resource limitations.

While AB 348 proposes significant steps toward enhancing mental health services, its implementation will require careful consideration of funding allocations, county capacities, and the development of standardized criteria to ensure consistency and effectiveness across different regions. Ongoing evaluation and stakeholder engagement will be crucial to address potential challenges and maximize the bill's positive impact on mental health care delivery in California.

Status:

The bill has been referred to the Assembly Health Committee and is awaiting a hearing date.

AB 820 (Pellerin) Homelessness: Transport

This measure seeks to prohibit employees of local governments or law enforcement agencies, when acting in their official capacities, from transporting and dropping off, or arranging or funding the transport and drop-off, of homeless individuals within a jurisdiction unless specific conditions are met.

Prior to transporting a homeless individual, the responsible employee must coordinate shelter or long-term housing for the individual. Coordination ensures that the individual has a designated place to stay upon arrival, aiming to prevent arbitrary relocation without proper support.

This approach aims to protect vulnerable populations from unsupported displacement and encourages local governments to take responsibility for addressing homelessness within their communities.

Status:

The bill has been double-referred to the Assembly Housing and Community Development Committee and the Judiciary Committee. It is awaiting hearing dates.

SB 569 (Blakespear) Department of Transportation: Homeless Encampments

This measure seeks to enhance collaboration between the California Department of Transportation (Caltrans) and local governments to address and prevent homeless encampments on state-owned properties.

SB 569 requires Caltrans to create a liaison office responsible for:

- Facilitating communication with local governments.
- Developing joint action plans to address homeless encampments.
- Providing guidance and support for implementing best practices.
- Overseeing the development and effectiveness of delegated maintenance agreements.
- Reviewing existing practices to ensure efficient abatement and clearing of homeless encampments.

Caltrans, in collaboration with local governments, is to develop joint action plans for each district with homeless encampments. These plans should include:

- Assessments of each encampment's size, location, and impact on public safety and the environment.
- Strategies for providing housing and support services to individuals in the encampments.
- Protocols for the safe and humane removal of encampments when necessary.

Upon legislative appropriation, Caltrans is to allocate funds to support collaborative efforts with local governments, including:

- Temporary housing and shelter services.
- Outreach and support programs.
- Environmental cleanup and restoration efforts

The bill mandates the formation of advisory committees in each district to provide guidance on implementing these provisions. Caltrans would also be required to submit an annual report to the Legislature summarizing information and recommendations regarding homeless encampments on department property.

SB 569 seeks to address the growing issue of homeless encampments along California's highways and freeways by fostering a collaborative approach between state and local entities.

Status:

The bill has been referred to the Senate Transportation Committee and is awaiting a hearing date.

SB 748 (Richardson) Encampment Resolution Funding program: Cars and Recreational Vehicles

This measure proposes amendments to the Encampment Resolution Funding (ERF) program to address the growing issue of individuals using cars and recreational vehicles (RVs) as temporary shelter along public roads.

The bill would broaden the definition of "encampments" within the ERF program to explicitly include individuals residing in cars and RVs parked along public roads. This expansion acknowledges the diverse forms of homelessness and aims to ensure that those living in vehicles are considered in encampment resolution strategies.

By redefining "encampments," SB 748 would make individuals sheltering in vehicles eligible for assistance under the ERF program. This inclusion aims to provide targeted support and resources to a segment of the homeless population that has been increasing in visibility and need.

California has seen a rise in individuals and families resorting to living in their vehicles due to housing affordability issues and economic hardships. By including vehicle dwellers in the ERF program, SB 748 aims to provide them with access to services and support that can facilitate a transition to more stable housing situations.

The bill's provisions could lead to more comprehensive data collection and understanding of the needs of those living in vehicles, enabling the development of tailored interventions and resource allocation.

Status:

The bill is set for a hearing in the Senate Human Services Committee on April 7, 2025

RE: **UNION STATION HOMELESS SERVICES INTRODUCTION**

RECOMMENDED ACTION

For information only.

BACKGROUND

Founded in 1973, Union Station Homeless Services (USHS) offers a continuum of tailored services that meet the housing, health and hunger needs of the community. USHS provides programming with a primary focus on outreach, interim housing, permanent housing and community building. USHS also serves as the Coordinated Entry System lead for adults and families in Service Planning Area 3. USHS coordinates homeless services across the San Gabriel Valley, working with more than 130 local partners to provide street outreach, intake and assessment, connection to services, care coordination, housing navigation, housing placement, and retention assistance for our clients. Based in Pasadena, USHS also provides interim and permanent supportive housing for program participants in El Monte, El Sereno and Eagle Rock. Additionally, USHS offers wrap-around services, including community integration with Employment Development, Lived Expertise Advisory Panel (LEAP), and other enrichment activities.

In December 2024, USHS welcomed a newly appointed Chief Executive Officer, Katie Hill. A former U.S. Congresswoman, Katie also brings more than 15 years of leadership experience in homelessness services within Los Angeles County, notably with PATH (People Assisting The Homeless) and HOPICS (Homeless Outreach Program Integrated Care System).

Katie Hill, Chief Executive Officer, USHS, will provide an introduction during the meeting.

RE: L.A. COUNTY AFFORDABLE HOUSING SOLUTIONS AGENCY

RECOMMENDED ACTION

For information only.

BACKGROUND

On September 28, 2022, Senate Bill 679 (Kamlager), the Los Angeles County Regional Housing Finance Act Legislation was signed into law. SB 679 established the Los Angeles County Affordable Housing Solutions Agency (LACAHSAs). LACAHSAs purpose is to increase the supply of affordable housing in the County by providing significantly enhanced funding and technical assistance at a regional level for renter protections, affordable housing preservation, and new affordable housing production. LACAHSAs was established to address two key needs to address the homelessness crisis – the need to prevent vulnerable residents from becoming unhoused and the need to scale up affordable housing options.

LACAHSAs is governed by a twenty-one member board that includes the five members of the Los Angeles County Board of Supervisors (LACBOS), the Mayor of Los Angeles, 3 members appointed by the Mayor of Los Angeles, 1 member appointed by the Los Angeles City Council President, the Mayor or Vice Mayor of Long Beach, representatives from the four subregional sectors (North County/San Fernando Valley sector; Southwest Corridor sector; San Gabriel Valley sector; and the Southeast sector), the chair of the “citizens’ oversight committee” established in the legislation, and members with expertise in affordable housing production, affordable housing preservation, and renter support and protection. Councilmember Jed Leano from the City of Claremont, serves as representative for the San Gabriel Valley Cities Sector. In May 2023, the newly formed board convened for the inaugural LACAHSAs meeting.

In November 2024, Measure A, a 1/2-cent sales tax to fund homelessness and affordable housing in perpetuity, was passed. Measure A becomes effective April 1, 2025, and provides a funding source for LACAHSAs. The Measure established that LACAHSAs receive 35.75% of the collected Measure A funds for affordable housing and prevention. Based on current revenue projections, it is estimated that LACAHSAs will receive approximately \$383 million in FY 2025-26.

Under the ordinance, LACAHSAs is required to allocate funds to councils of government for affordable housing protection and rental assistance. These programs include but are not limited to:

1. The construction of new affordable housing;
2. Affordable housing preservation;
3. Tenant protection and support programs;

4. Planning and technical assistance related to affordable housing and land use, including but not limited to supporting innovative solutions to reduce barriers to affordable housing and to accelerate its production and preservation; and
5. Other purposes as outlined in the Housing Agency's annual expenditure plan.

While Measure A does not specifically outline how LACAHSAs must expend their funds, it requires that funds be distributed and expended in line with SB 679. Specifically, SB 679 establishes that the following activities can be funded by revenues administered by LACAHSAs, at the following levels:

- Housing Creation, Preservation, and Ownership (at least 40% of budget);
- Countywide Renter Protection & Support Programs (at least 30% of budget);
- Designated "Annual Priorities" (15% of budget);
- Technical Assistance, Research, and Policy Development (at least 5% of budget); and
- LACAHSAs Administration (not more than 10% of budget).

SB 679 designates specific eligible jurisdictions that shall be allocated funds. These include the County's four largest cities (Los Angeles, Long Beach, Santa Clarita, and Glendale), the unincorporated areas of Los Angeles County, and the County's councils of governments. Additionally, the citizens' oversight committee established by SB 679 will be responsible for overseeing LACAHSAs' expenditures, in accordance with the LACAHSAs enabling legislation.

DISCUSSION

In accordance with Measure A, goals and Metrics must be adopted to evaluate progress and measure performance. Measure A has the following overarching goals:

1. Increase the number of people moving from encampments into permanent housing to reduce unsheltered homelessness;
2. Reduce the number of people with mental illness and/or substance use disorders who experience homelessness;
3. Increase the number of people permanently leaving homelessness;
- 4. Prevent people from falling into homelessness; and**
- 5. Increase the number of affordable housing units in Los Angeles County.**

Measure A specifies that the LA County Executive Committee for Regional Homeless Alignment (ECRHA) shall evaluate progress towards Measure A goals with an emphasis on Goals 1 – 3, and that LACAHSAs shall evaluate progress towards the goals with an emphasis on Goals 4 and 5.

At their March meeting, the LACAHSAs board adopted the following Metrics for Goals 4 and 5:

- **Metric 4A Prevention:** Decrease by 20% in five years the number of people who become newly homeless (as measured in administrative data), from a baseline of 63,202 in FY 23-24 to a target of 50,561 people in 2030.
- **Metric 4B Prevention:** Increase the successful impact of flexible eviction and homeless prevention services (as measured in administrative data) from a baseline of 1,796 in FY 23/24 to a target of 22,116 to 23,829 in the next 5 years, or an average of 4,423 to 4,766 per year.

- **Metric 4C Prevention:** Increase access to legal support services for tenant households from a baseline of 8,377 in FY 23-24 to a target of 85,103 to 91,693 in the next 5 years, or an average of 17,021 to 18,339 per year.
- **Metric 5A Production (Agency Funds):** Annually finance the production of 660 homes affordable to households earning up to 120% of AMI (with at least half of units for households earning up to 50% of AMI), reaching a target of 3,300 units over the next 5 years
- **Metric 5B 1 Production (Pass Through Funds):** Annually finance the production of 1,114 to 1,670 homes affordable to households earning up to 80% of AMI in the form of gap subsidies, or 5,570 to 8,350 over the next 5 years.
- **Metric 5B 2 Production (Pass Through Funds):** Annually finance the master-leasing of 673 to 1,010 homes affordable to households experiencing or at risk of homelessness, or 3,365 to 5,050 over the next 5 years.
- **Metric 5A Preservation (Agency Funds):** Over the next 10 years, finance the preservation of 20% of the 11,427 at risk affordable housing units, or 229 homes per year, or 1,145 over the next 5 years, through the creation of a structured affordable housing preservation fund using LACAHSAs agency controlled funds.
- **Metric 5B 1 Preservation (Pass Through Funds):** Annually finance the preservation of 141 to 197 homes affordable to households earning up to 80% of AMI in the form of gap subsidies, or 705 to 985 over the next 5 years.
- **Metric 5B 2 Preservation (Pass Through Funds):** Annually finance the master-leasing of 673 to 1,010 homes affordable to households experiencing or at risk of homelessness, or 3,365 to 5,050 over the next 5 years.

The baseline and target Metrics as recommended by the ECRHA with input and recommendations from the LTRHA were approved at the March 25th LACBOS meeting.

Ryan Johnson, Chief Executive Officer, LACAHSAs, will provide an overview of the agency during the meeting.

REGIONAL HOUSING TRUST UPDATE

SGVRHT Board Meeting

The San Gabriel Valley Regional Housing Trust (SGVRHT) Board held a meeting on March 20, 2025. The Board approved the addition of \$439,548 in Permanent Local Housing Allocation (PLHA) funds to the Affordable and Homeless Housing Innovation Program, a partial allocation of its most recent PLHA allocation from Los Angeles County Development Authority (LACDA). This program is designed to support the development of projects delivering units quickly and in an innovative manner. The Board also approved funding allocations for two Housing Innovation projects: \$450,000 for the development of family shared housing and onsite amenities including a commercial kitchen at the God's Pantry shared housing site in Pomona and \$500,000 to develop an interim housing site for families at Foothill Community Church in Azusa. The SGVRHT funds will cover capital improvements.
